THIS IS OCALA HIGH SCHOOL

. . . activities . . . classes . . . academics . . . organizations . . .
sports . . . who's who . . . new buildings . . . old traditions . . .
faces, young and old . . . people working for the future . . . peo-
ple with their eyes on a place in the sun and the world in their
hands . . . all kinds of people . . . OHS is people . . . OHS is you.

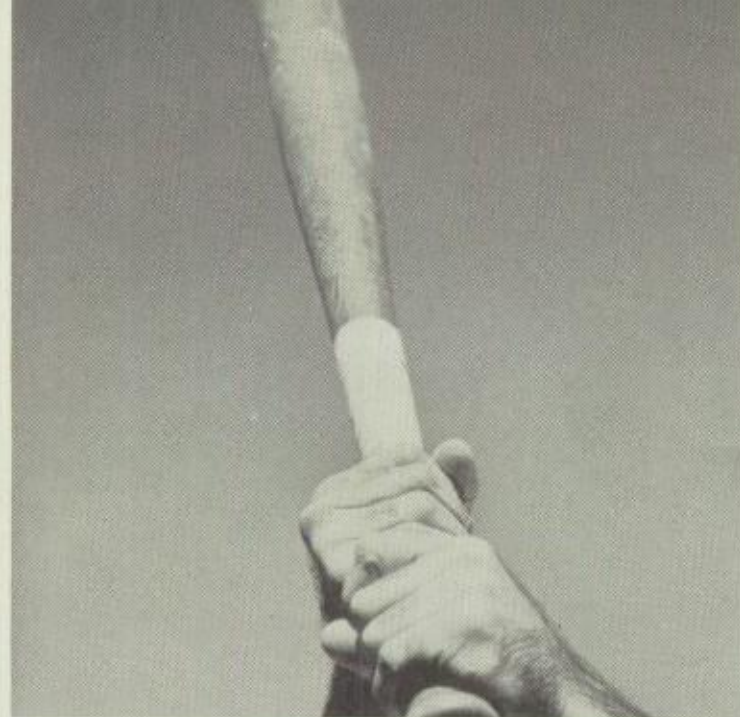

THIS IS OCALA HIGH SCHOOL
.. the everyday things around us ...
a wing seen from the front of the of-
fice ... raising the flag each morning.

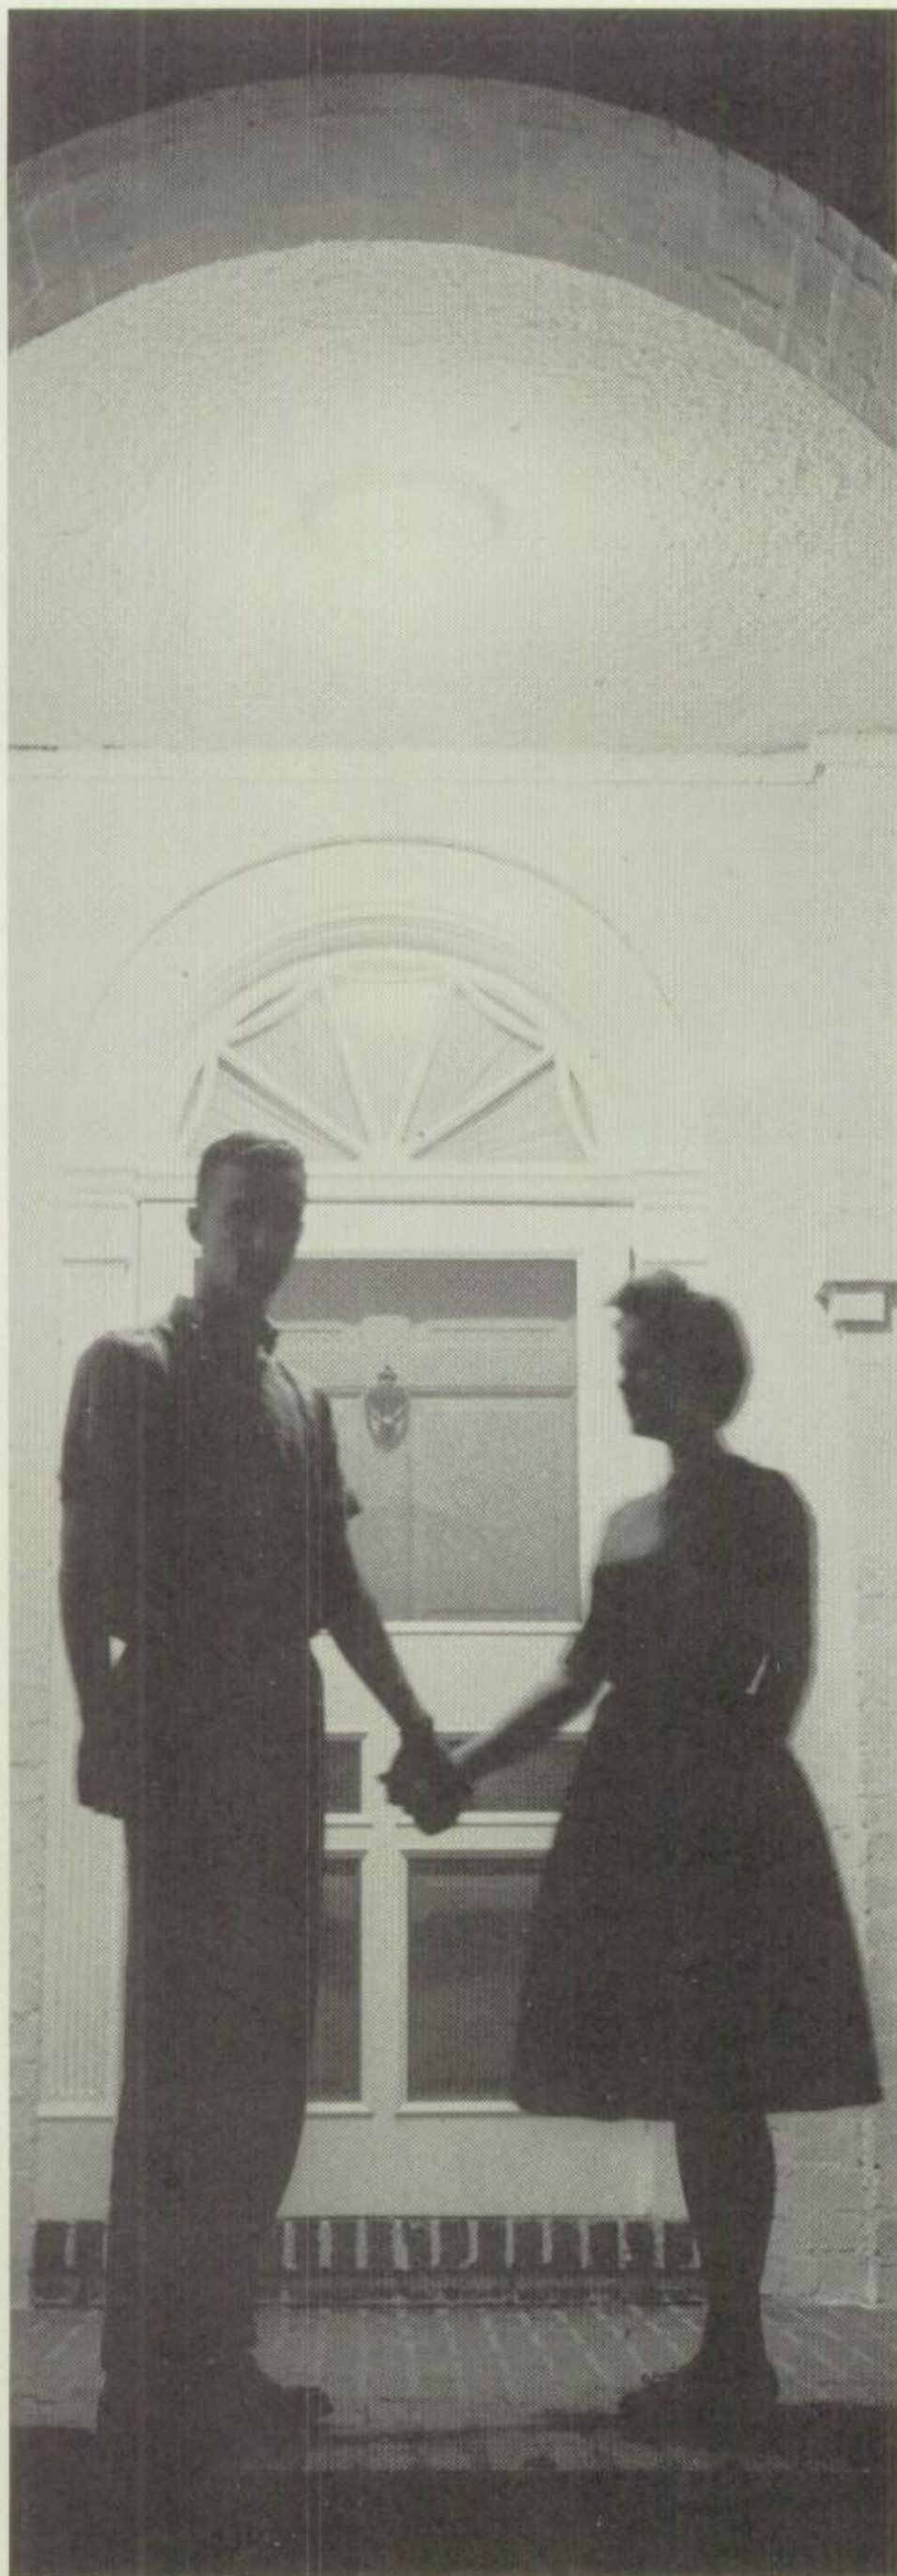

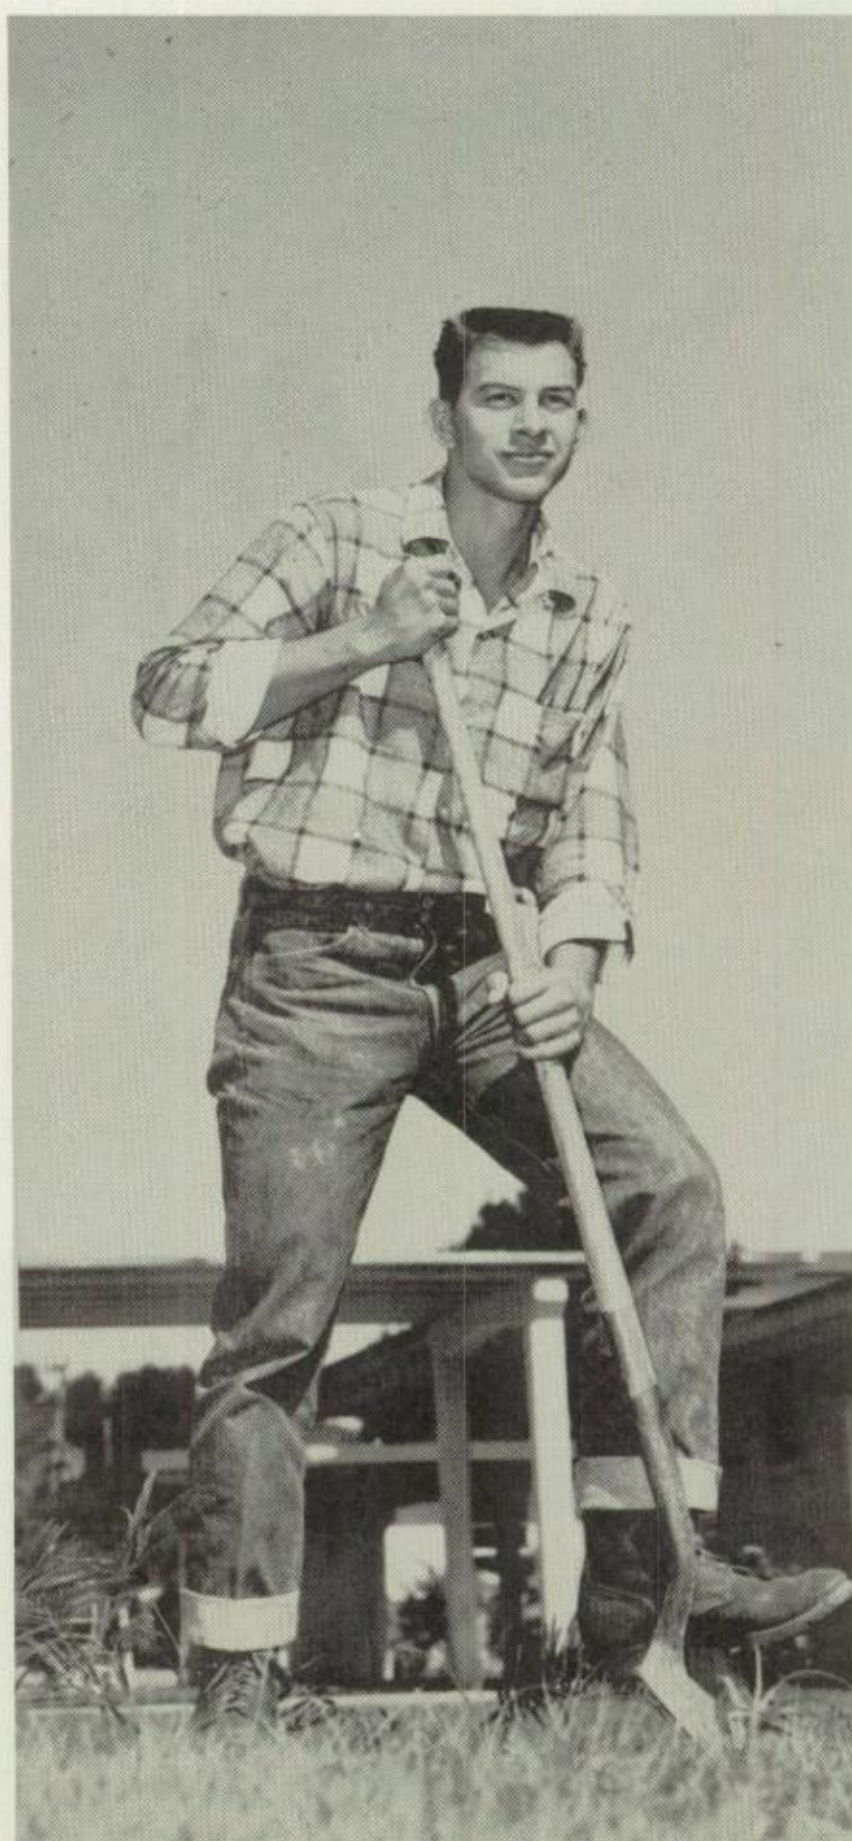

THIS IS OCALA HIGH SCHOOL
... hands and feet that show parts of
our daily lives ... a cheerleader's face
as she cheers our team to victory ...
the excited crowds at football games.

THIS IS OCALA HIGH SCHOOL
... working on the plots ... Saturday
night dates ... washing cars to build
up the club treasury ... relaxing after
school at a popular hangout ... danc-
ing the night away.

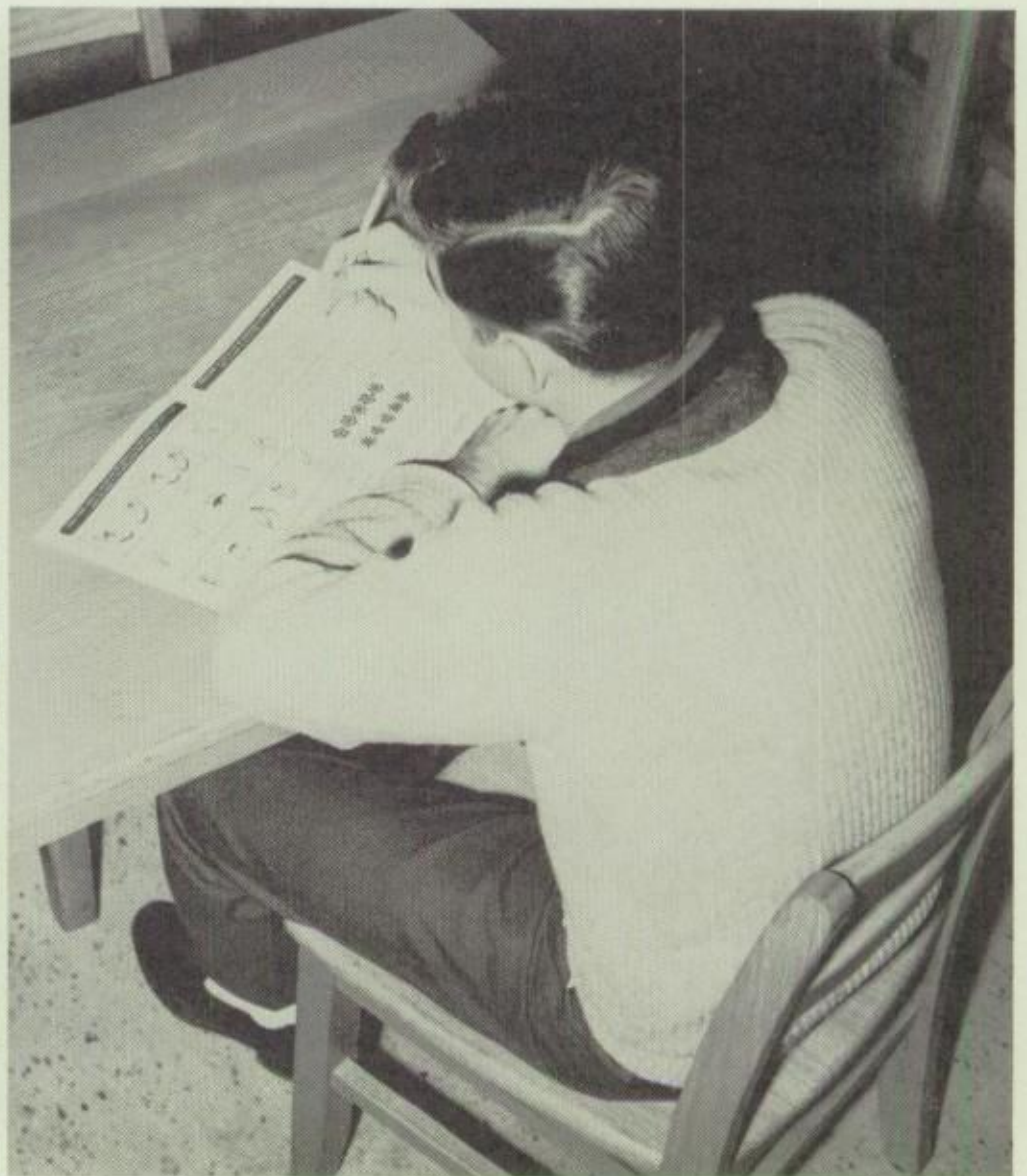

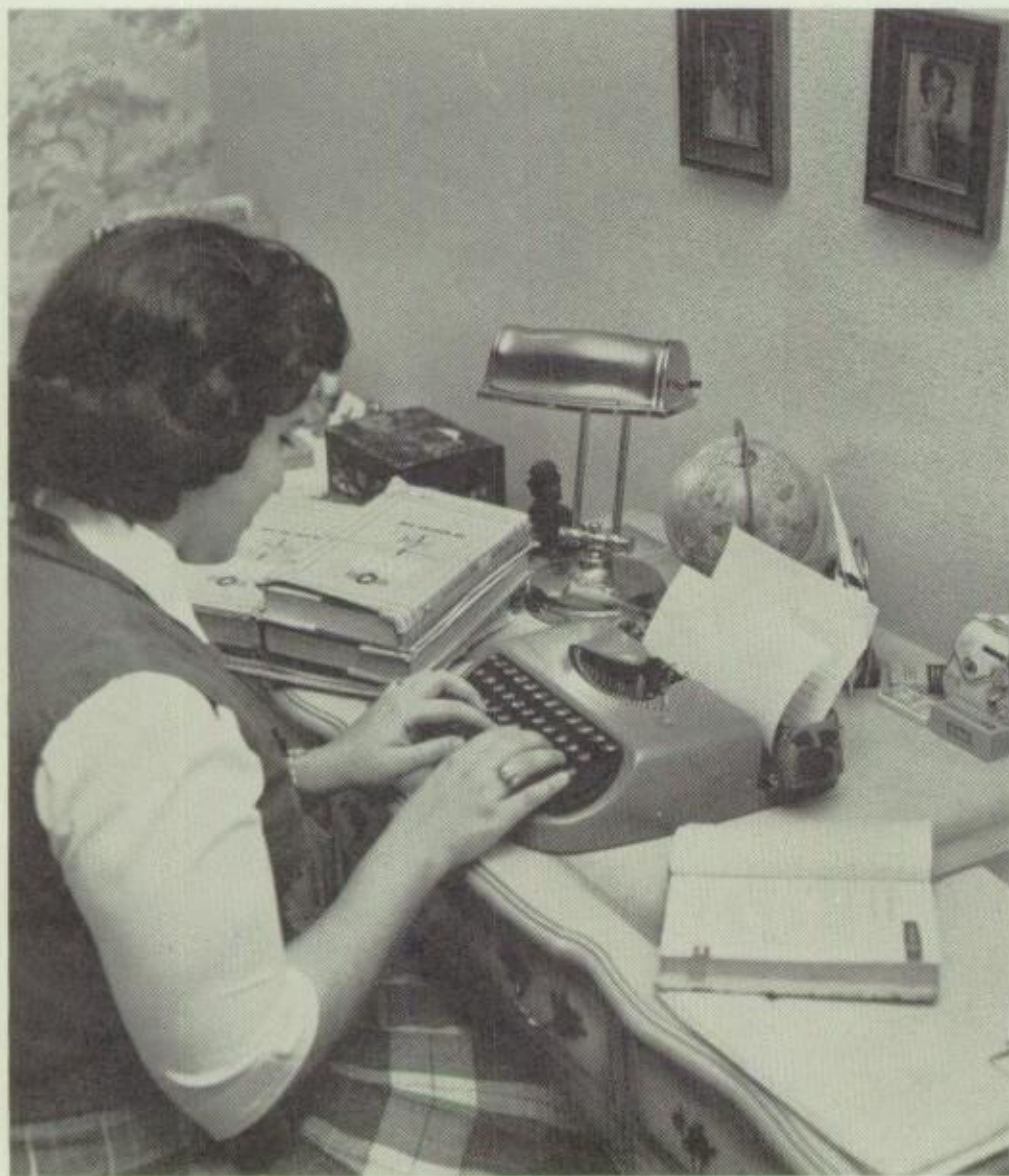

ACTIVITIES . . . This is Ocala High School . . . Friday morning assemblies . . . crowded lunchrooms . . . a fond goodnight after a week-end date . . . the student lounge . . . telephone conversations, usually private . . . frantic Election Week . . . meeting after school for drinks . . . hopes, thoughts, memories, ever ringing. Never let them die.

The week school begins again is filled with excitement. Old friends meet and talk in the halls, perhaps about some of the more interesting dates on the office social calendar. The student council organizes for another year and some of us reorganize our schedules with the counselor's aid. Homework and tests to determine our abilities once more occupy our time and thoughts.

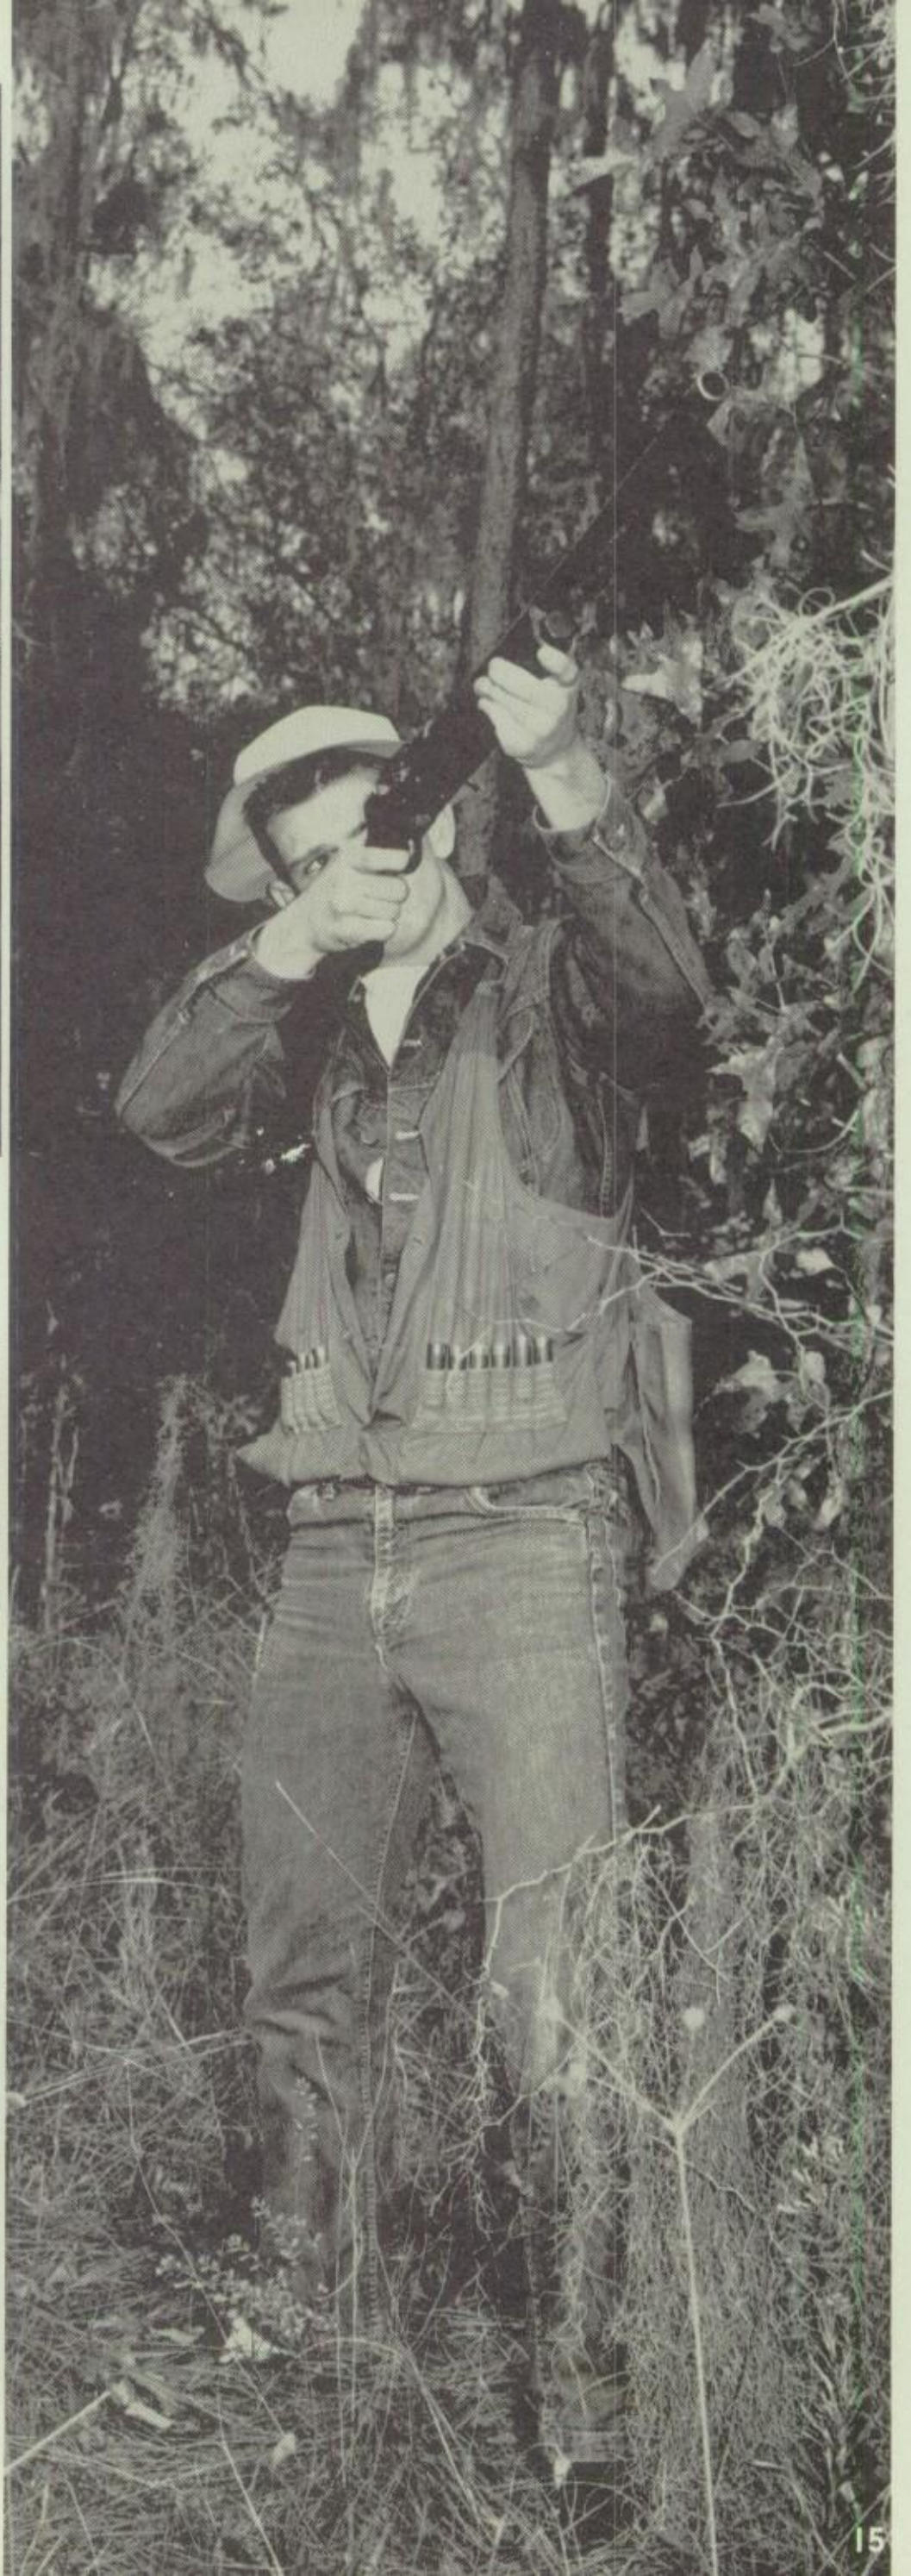

Fall brings the football season and the excitement of the Green and White game. Everyone gets a date and turns out for the battle. Sometimes the players aren't the only casualties and a referee needs patching up. Fall also means buying warm sweaters to wear all during those crisp, golden days of hunting season.

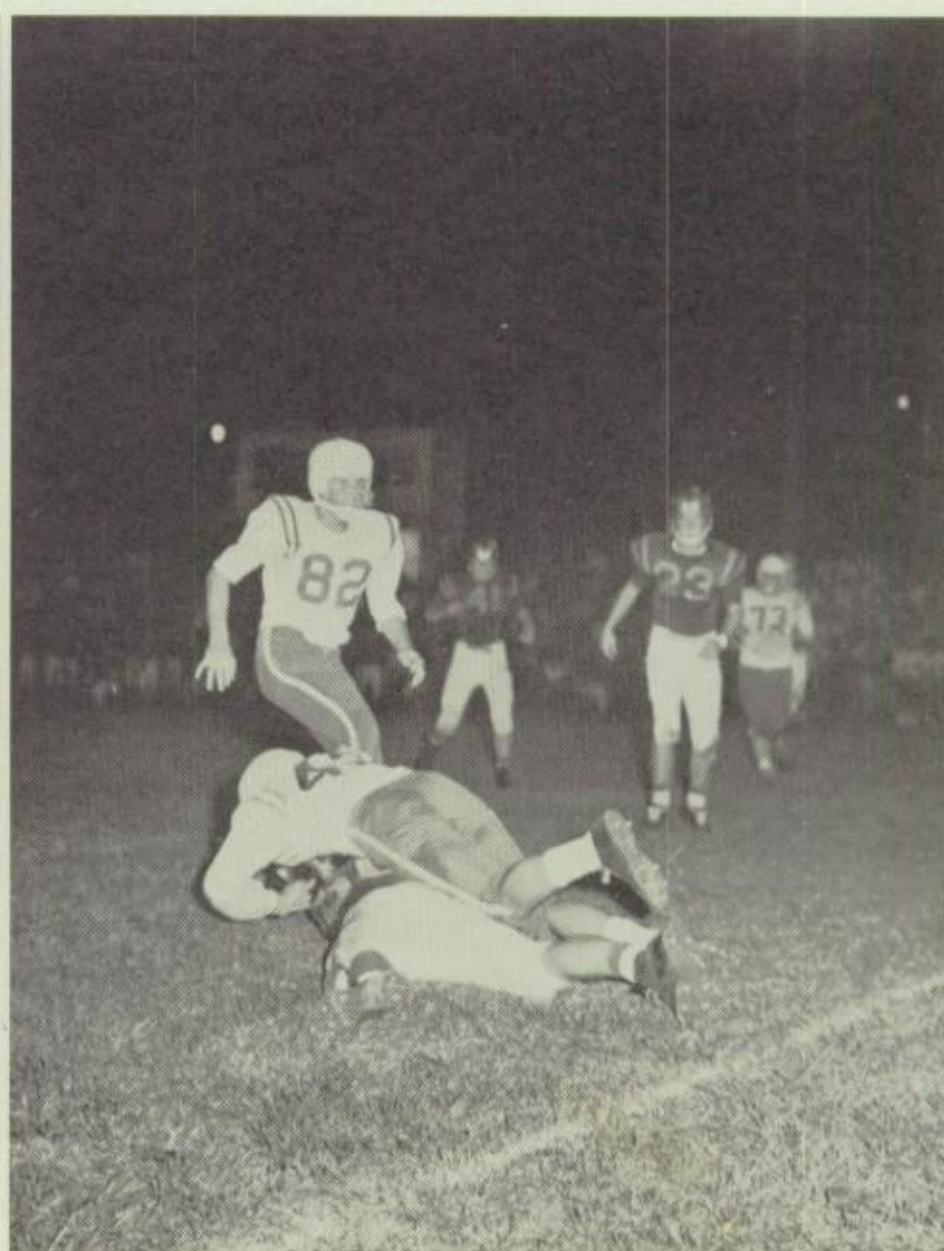

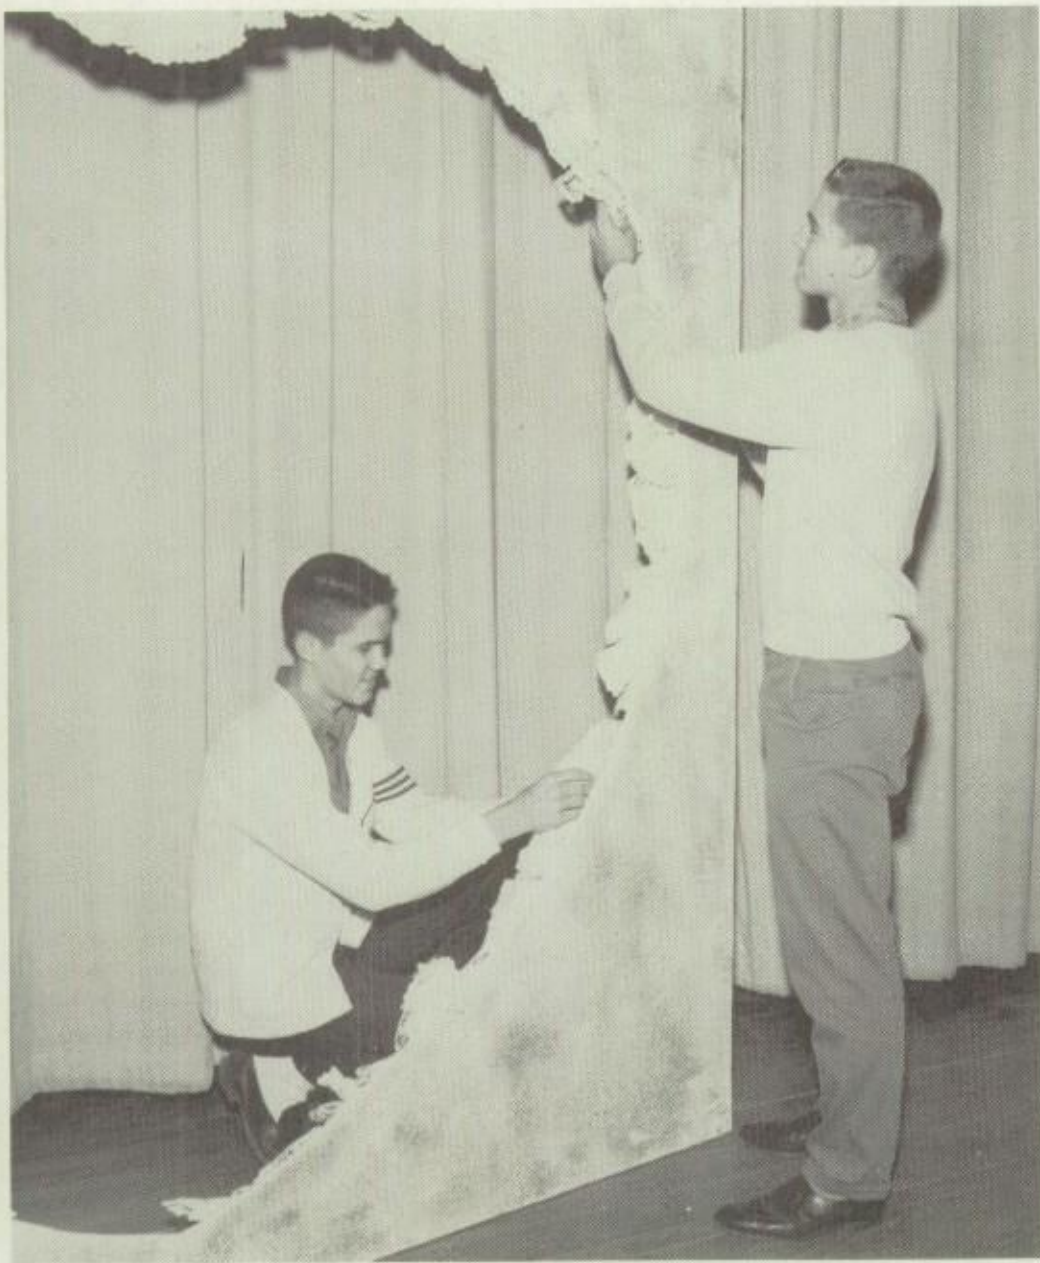

Homecoming week is the climax of the football season. Many clubs present skits in Kats Kapers, which was emceed this year by Nick Nicholson. Lovely contestants take part in the annual Homecoming assembly and a tearful new queen is crowned at the game. But the real thrill comes with the game itself, which O.H.S. won 19-6!! All in all, Homecoming is a week to be long remembered.

HOMECOMING

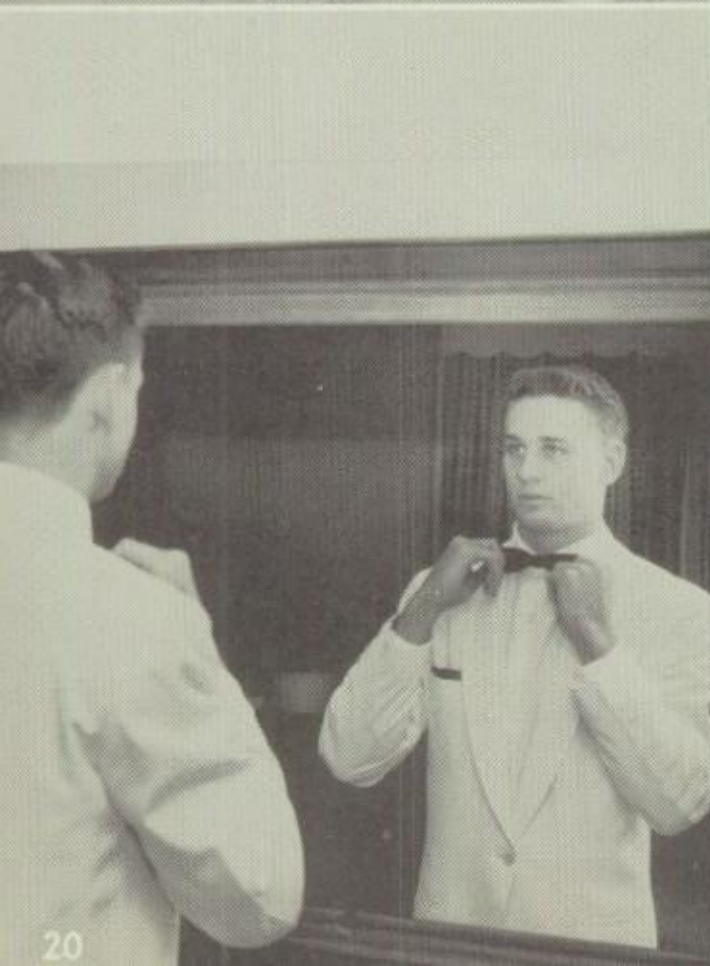

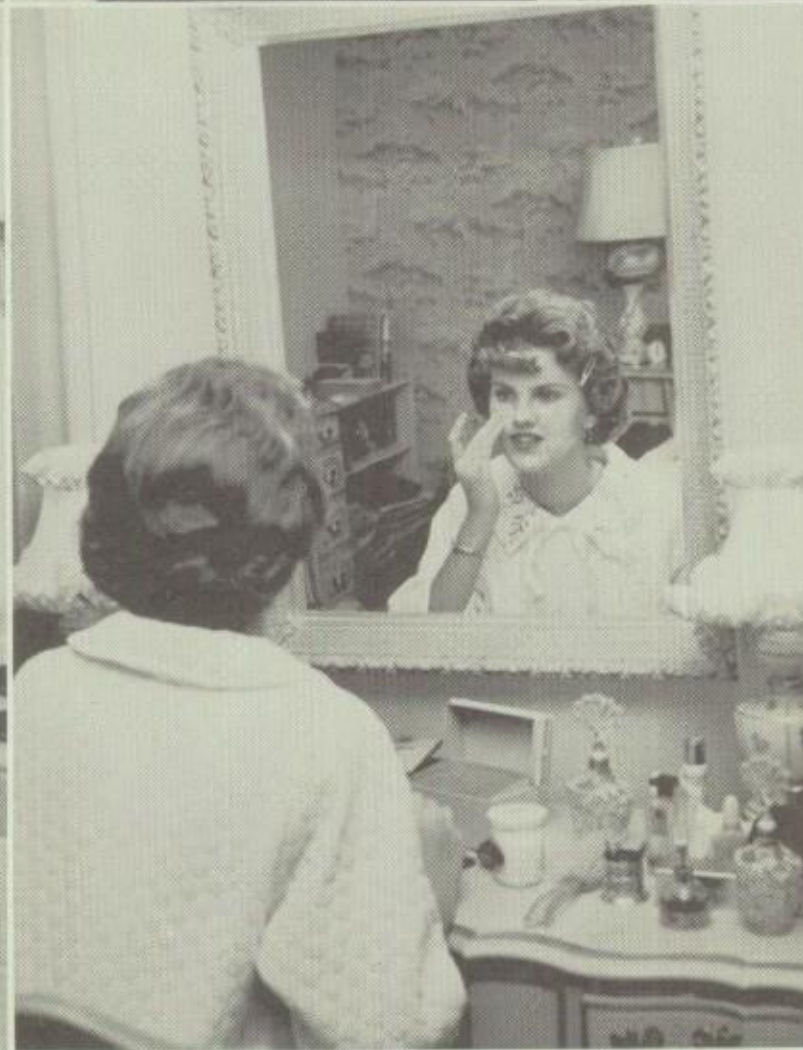

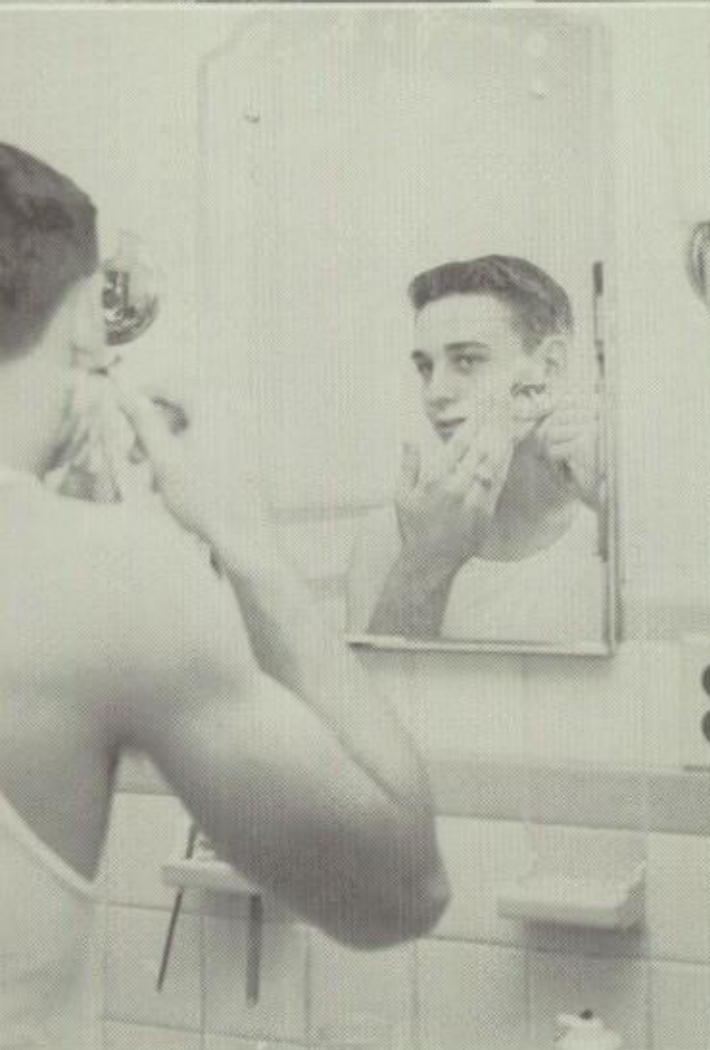

Winter is the time for glorious, though sometimes chilly, fun at O.H.S. The student council closes school for the holidays with the Christmas party as the season swings with frenzied preparation for sweetheart dances. Left-over turkey disappears as hungry teenagers down stacks of sandwiches. All too soon the fun's over and it's back to school for the last long stretch.

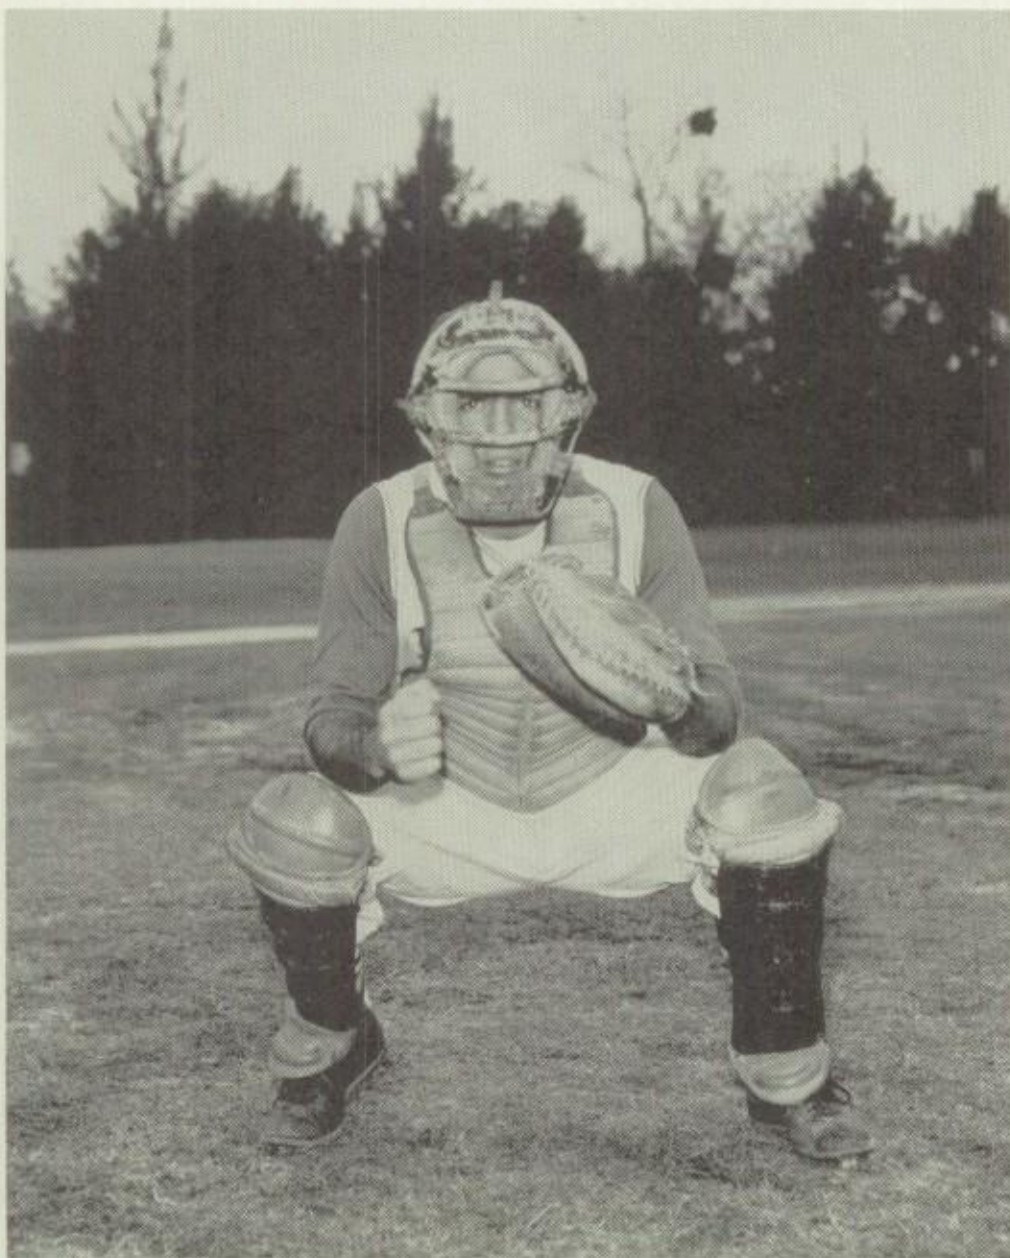

Another part of OHS is the ever-present social whirl. Important telephone calls, feverish preparations, and last minute touches precede the big evening. And that big night is still the best of the year, still the stuff dreams are made of.

During the summer, track, baseball, swimming, tennis and golf keep us pretty well occupied. But there is always time to spend at the lake. We sail, ski, and swim in the summer sunshine until time to eat. Then, wet and sandy, everyone gathers on a quiet beach for a cook-out before heading home.

Summer ends, but the joy of living doesn't. Soon school and the constant merry-go-round of teenage life will begin anew.

ACADEMICS . . . This is Ocala High School . . .
cramming for exams and finals . . . graph paper, protractors,
compasses . . . report cards . . . ever-growing mounds of home-
work . . . report cards . . . the all-important research papers . . .
hours in the library with an encyclopedia volume . . . report cards
. . . discovering teachers are people too . . . Obedient to rules,
Courageous in deed, Anxious to cooperate, Loyal to our school,
Always building character.

COUNSELORS

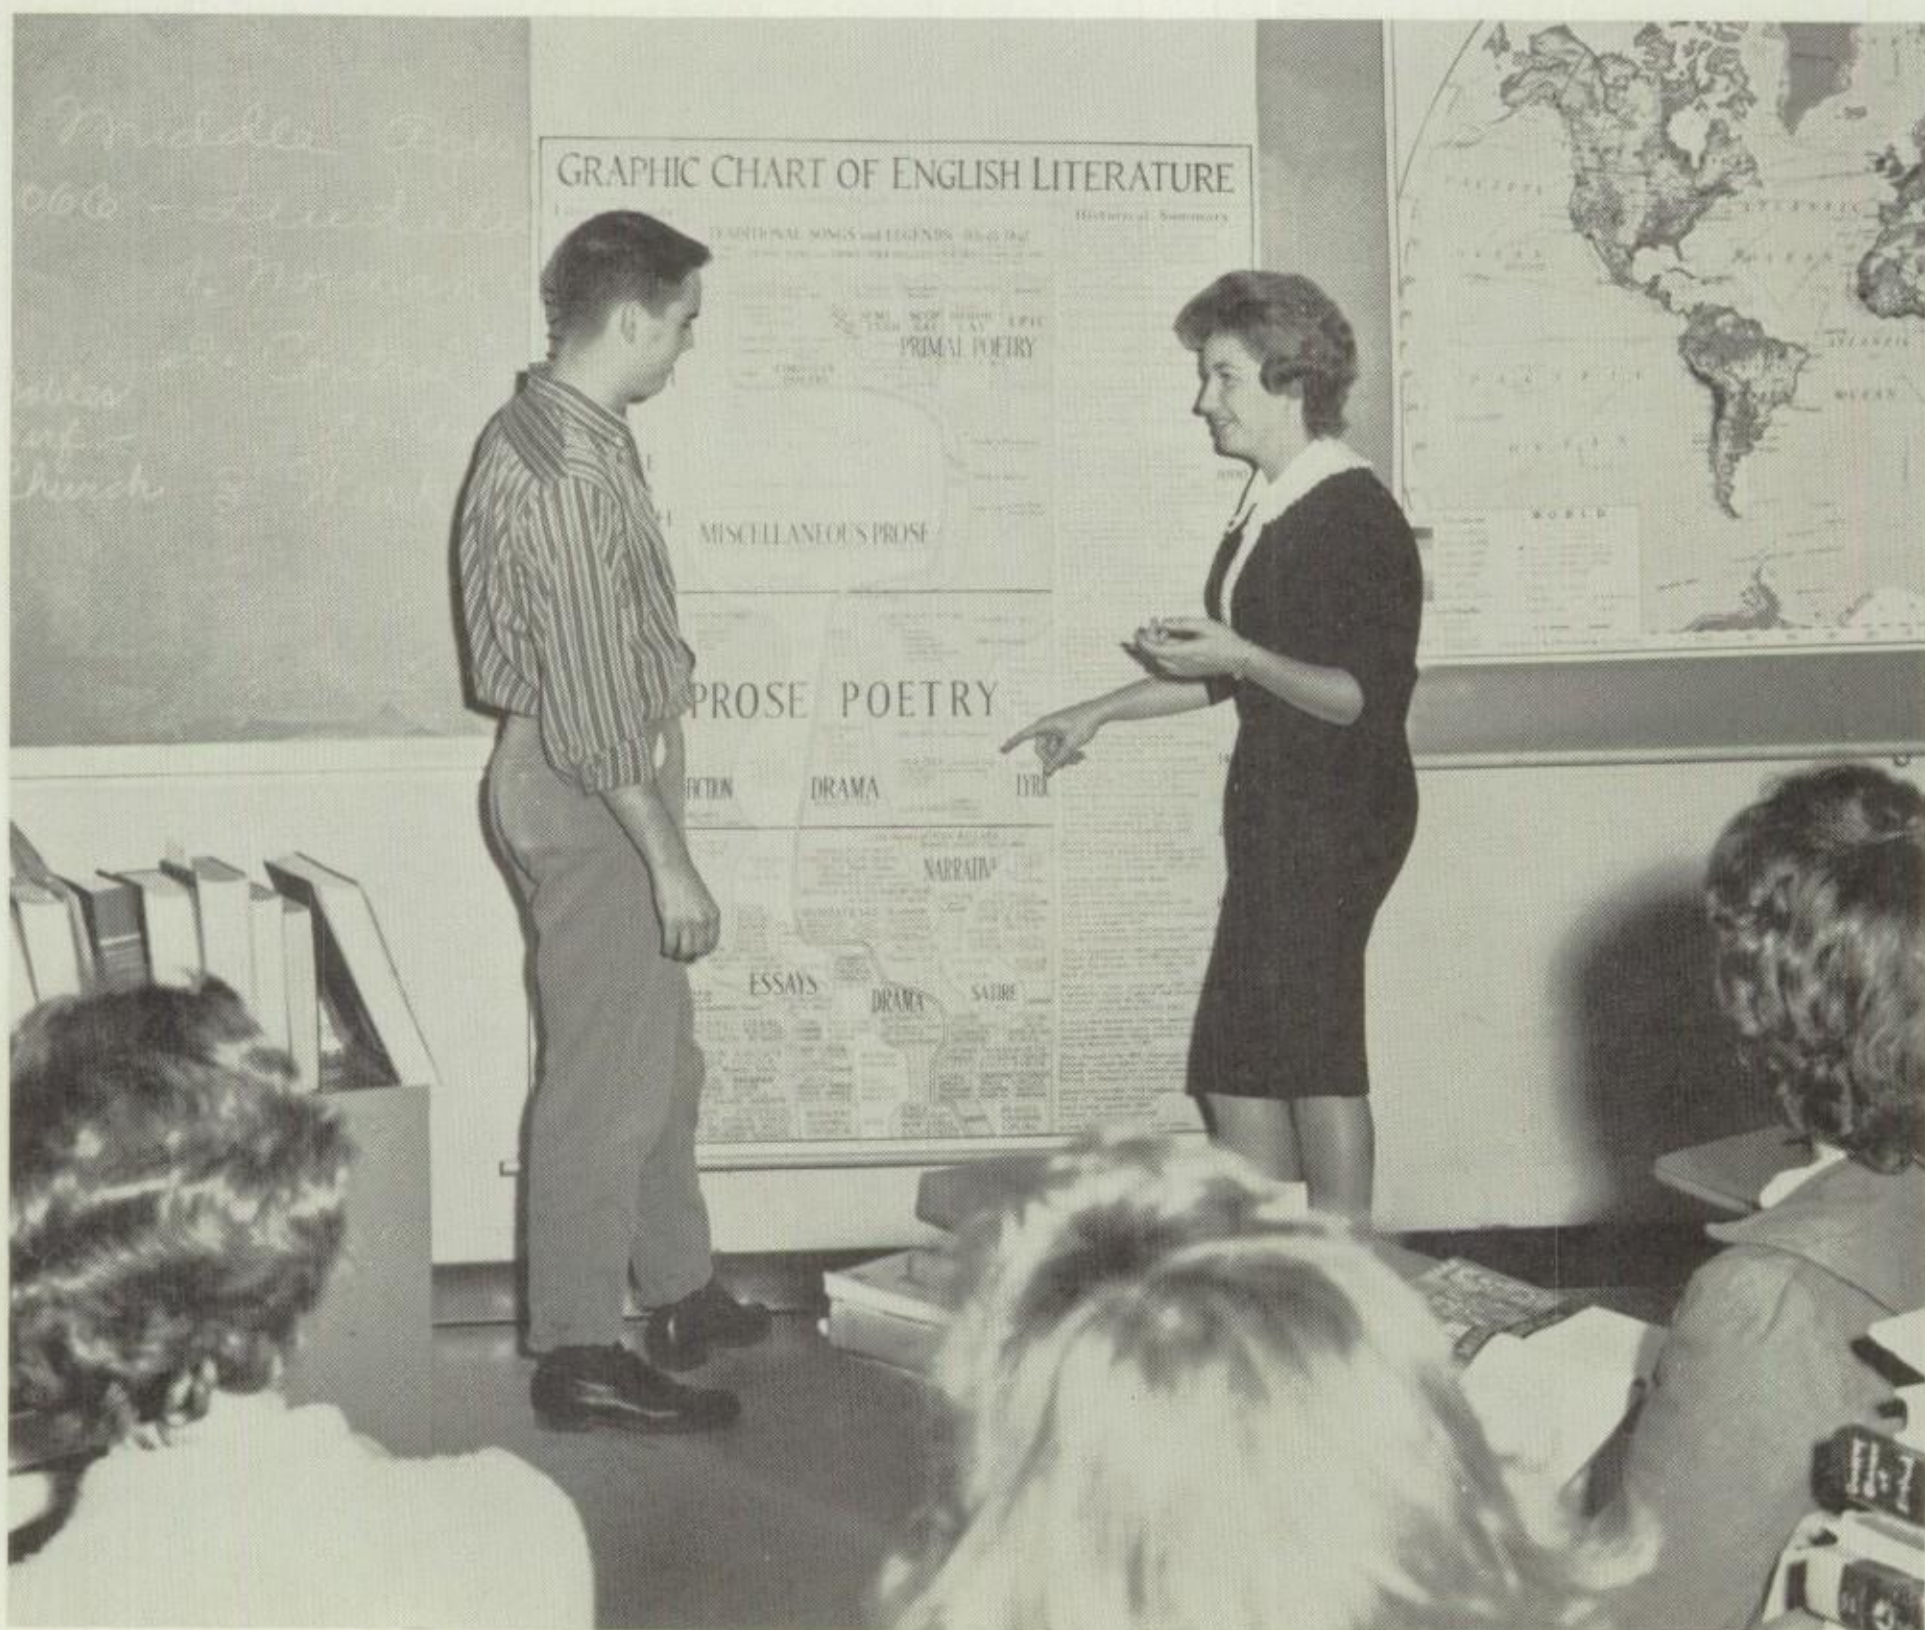

MISS RUTH FOHL

MISS EMMA JEAN SMITH

Much of our schedule is taken up by classes in the language department. All of us struggle through English, making valiant efforts to master diagrams and "When that Aprille . . .". Others venture into foreign lands and learn to speak French or Spanish. Latin also makes its presence felt when **Quo Vadis** disappears from the library shelf.

While involved in social studies, we tackle the world's problems in economics and our own problems in psychology. World history gives us a keen insight into current events. In American history, we re-fight the Civil War, with staunch supporters for both sides.

Mathematics keeps many a student up late at night. Algebra teaches us to think in logical order so that we can struggle our way through trig. Soon we learn that the out-of-class definition of square does not apply in geometry and curves are restricted to parabolas.

$$X = Y \Sigma$$

$$Y = mx + b$$

$$A = \pi r^2$$

$$asa = asa$$

$$c^2 = a^2 + b^2$$

Science has become a very important thing in our modern age. We first meet scientific methods as sophomores. Later, chemistry, physical science, and physics help us probe more deeply into the wonderful world around us.

Our business courses make preparing for the future almost fun. Nervous breakdowns caused by speed writings in typing and shorthand are nothing compared to the fits of rage when we're only one little cent off in bookkeeping or business arithmetic. And then there's COP.

Some of us spend half the day at the vocational school. We spread paint on canvas and ourselves in commercial art, then apply the same basic principle with grease and motors in auto mechanics. Beauty culture comes in handy to repair the rather extensive damages at the end of the day.

We have a variety of subjects from which to choose in rounding out our daily schedules. Most of us take driver's training, home economics, or physical education at one time or another. We find time to pursue our special interests in band, library science, and mechanical drawing. Agriculture and industrial arts further prepare us for future occupations.

JON NELSON—RIGHT END

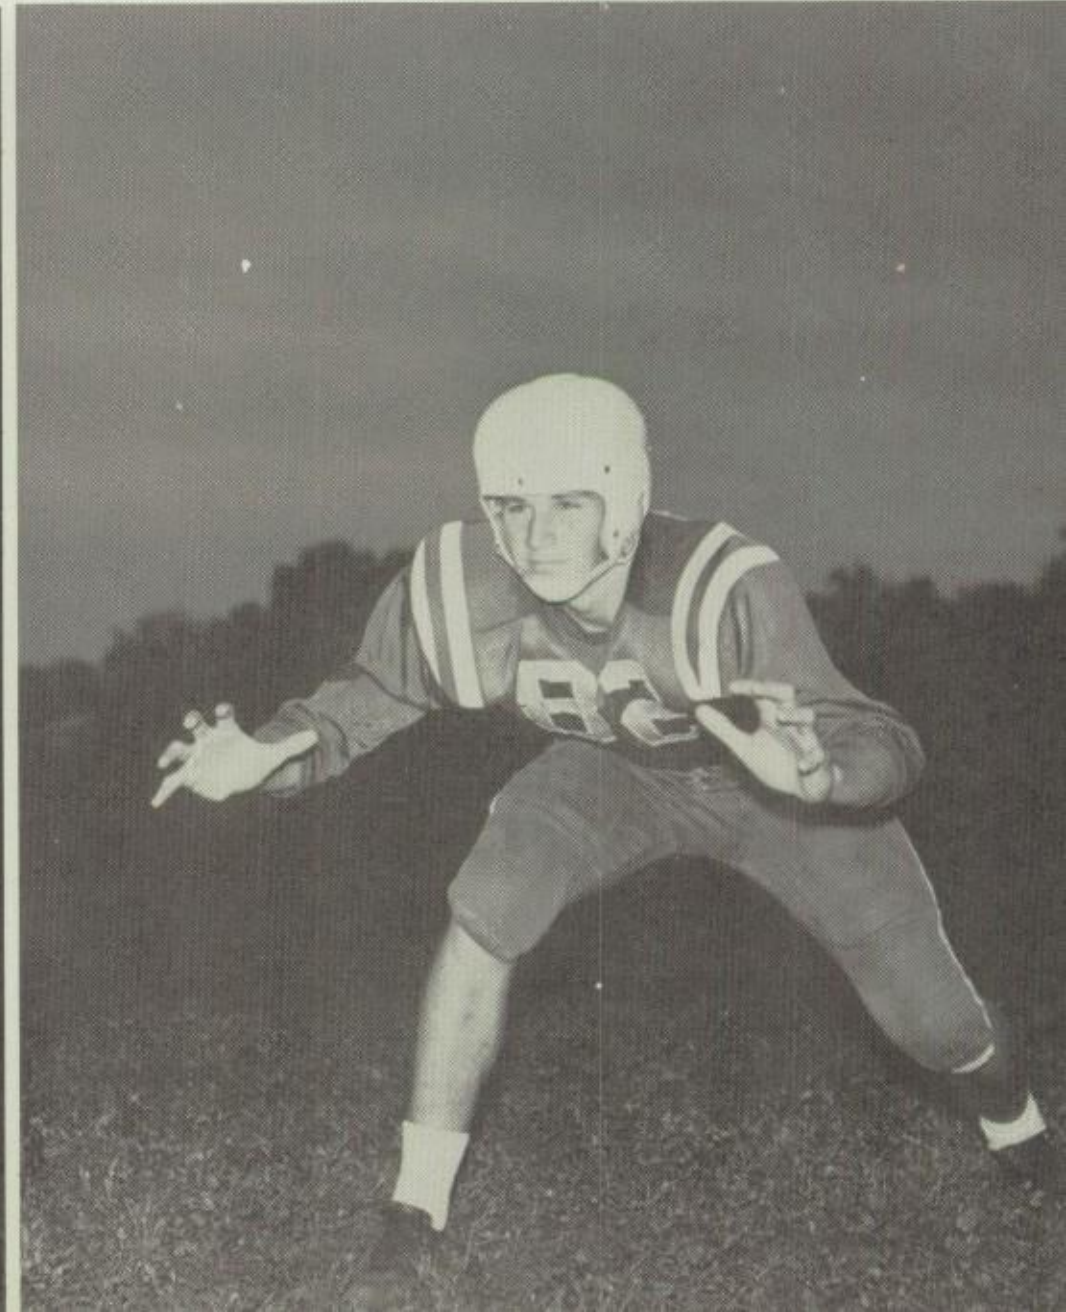

JAMES BLAND—LEFT GUARD

In the opening game of the season the Cats fell prey to it's overconfidence and an experienced Wildwood team.

But the Wildcats avenge a slow start by hard hitting and team-work to take Lake City 19 to 7.

TONY BOLINE—LEFT END

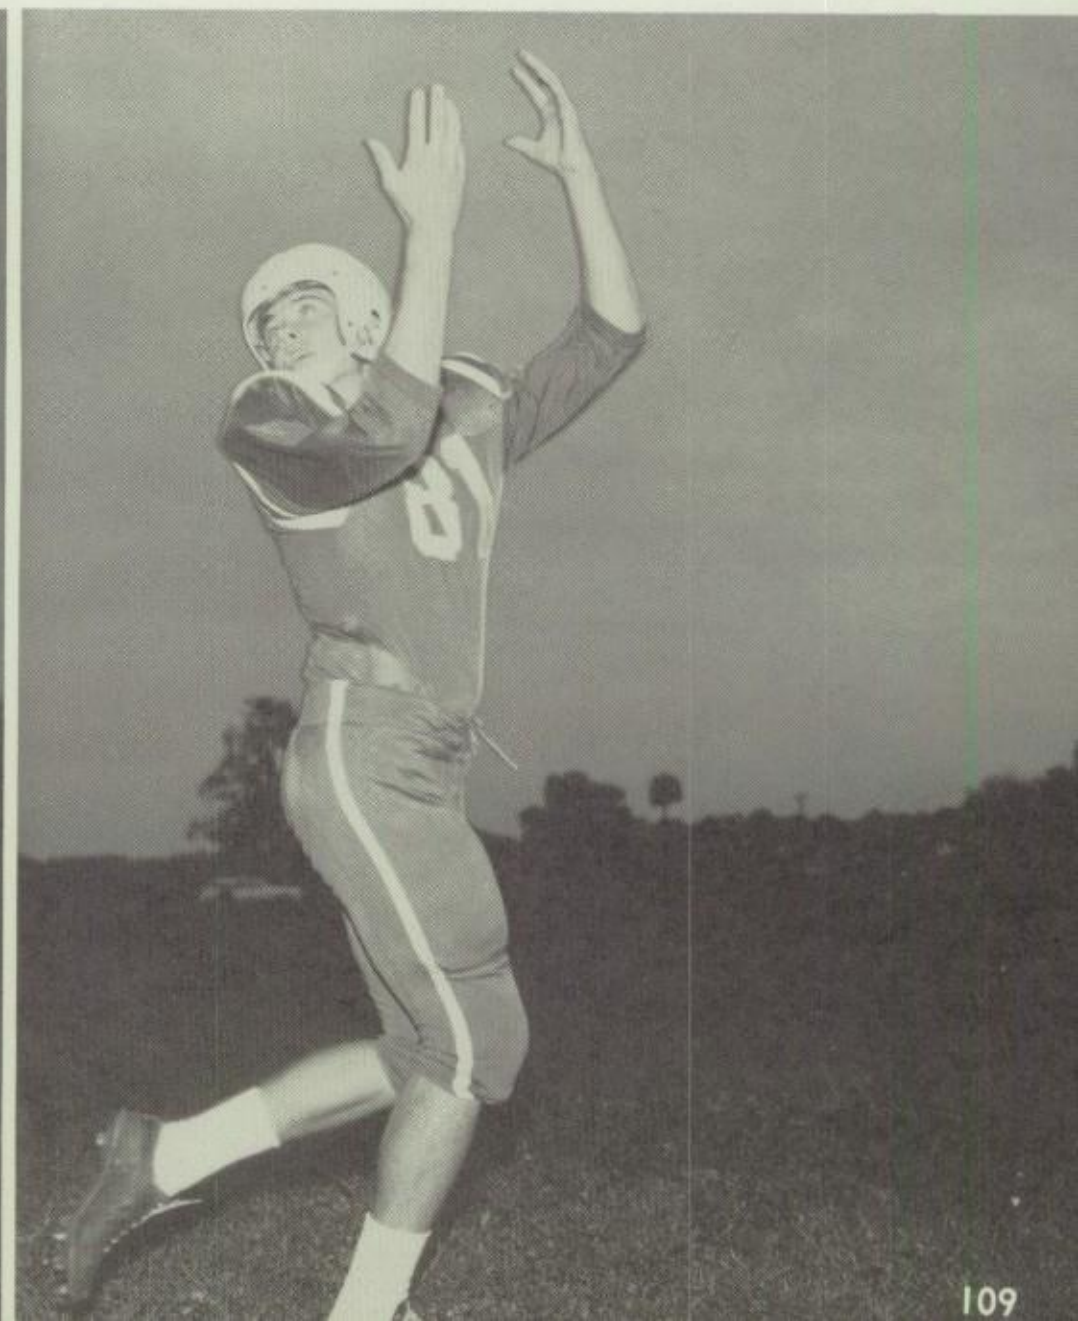

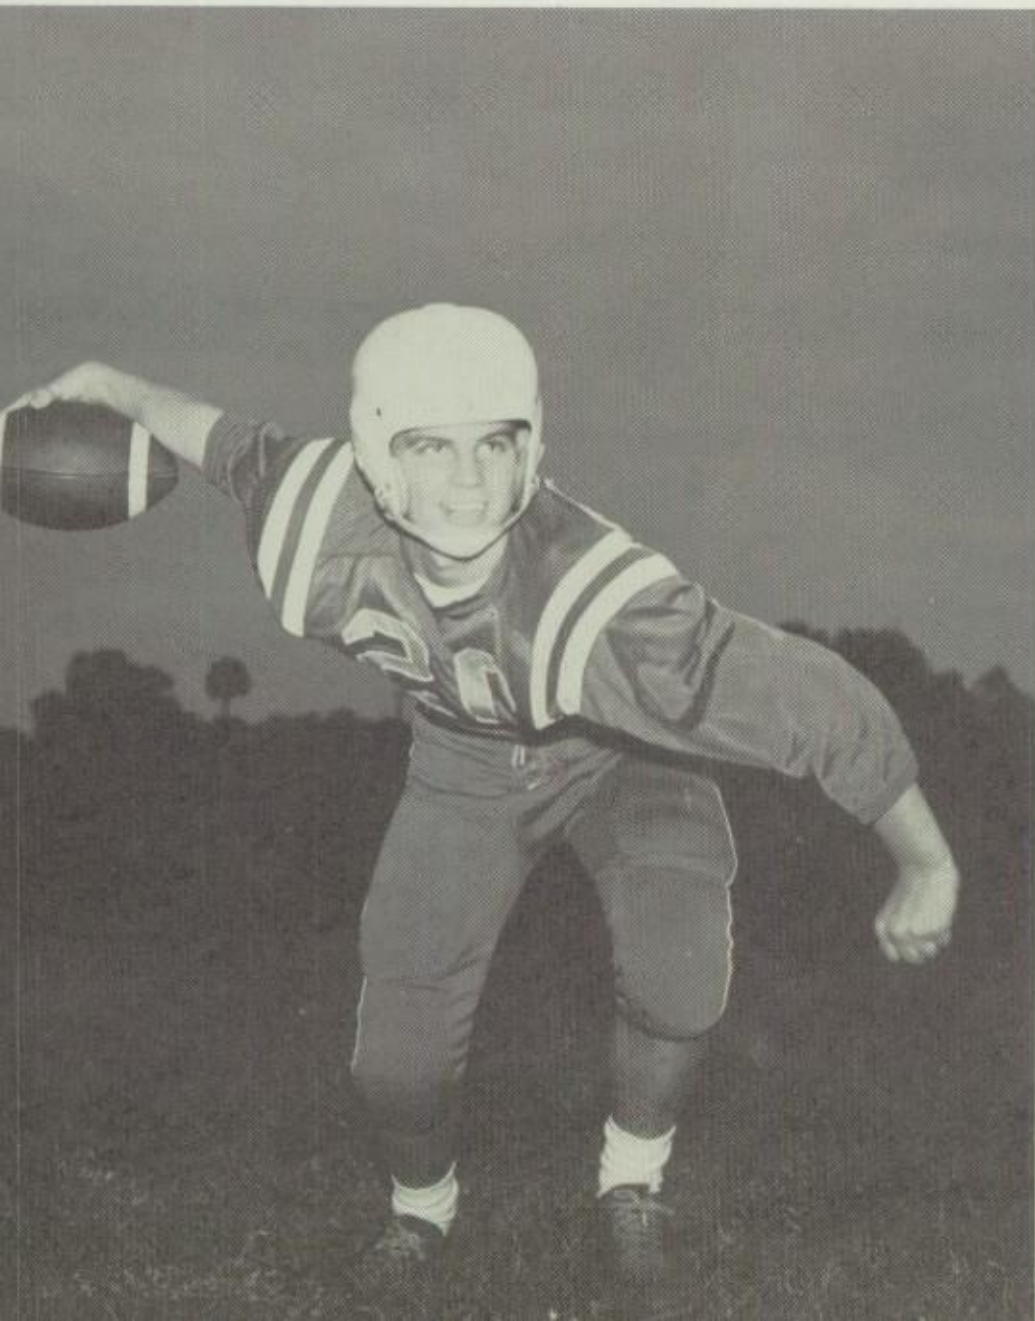

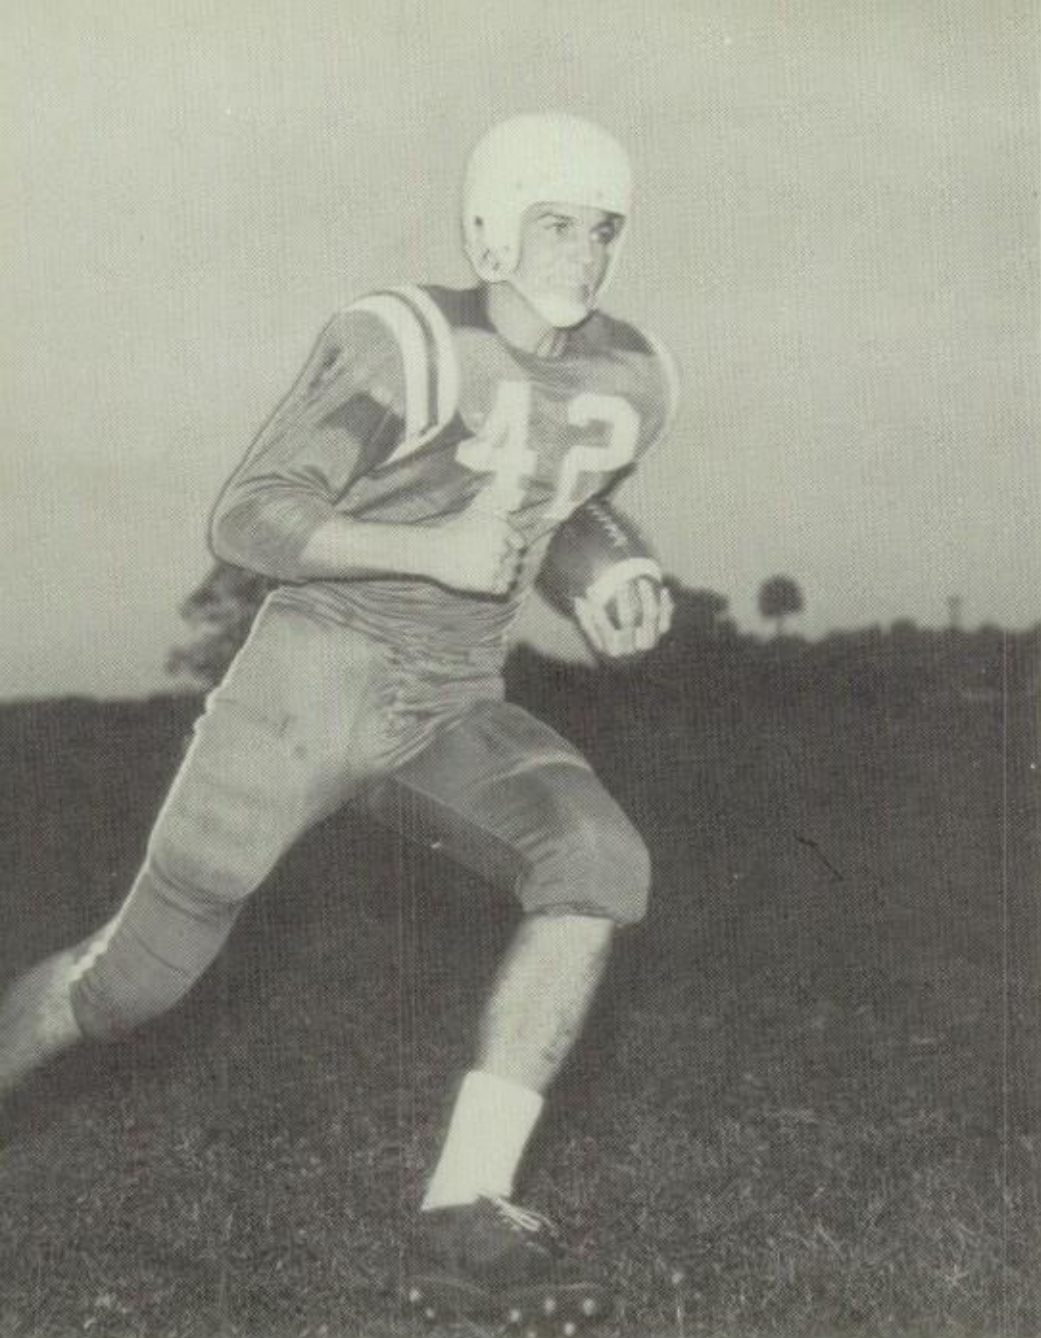

Ocala once more feels the pressure of a loss and the weight of defeat is hard to overcome. Practice seems long but the Palatka and Melbourne games seem longer.

But then a determined Ocala blanketed highly ranked Cocoa 28 to 6 to start a winning streak. From that point on the Wildcats blasted to victory.

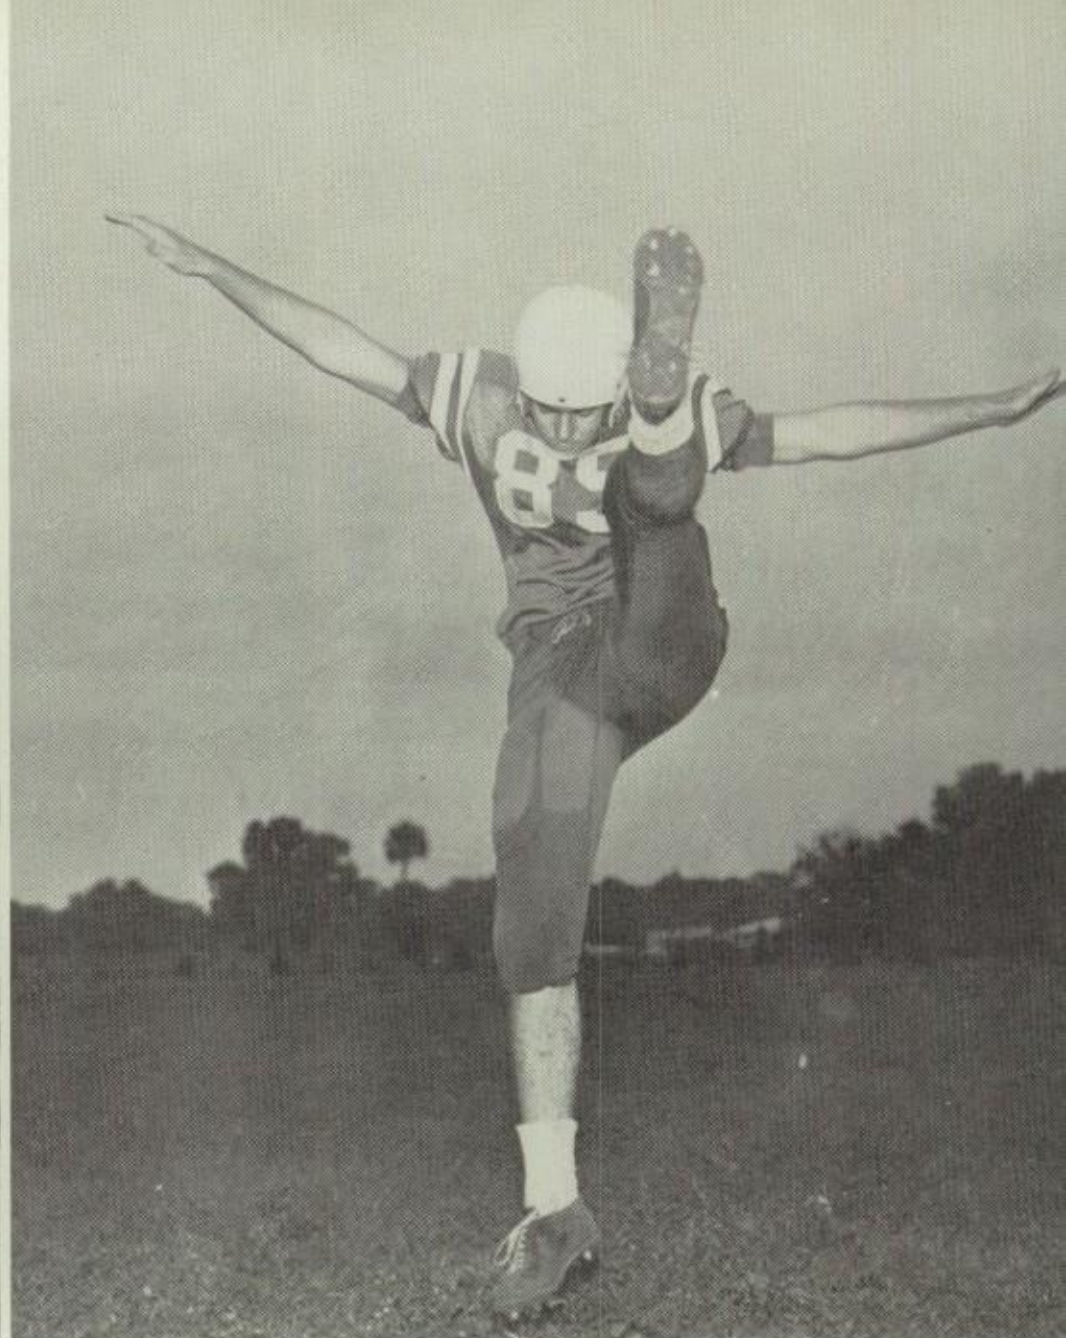

JIMMY McCONNAUGHAY—BLOCKING BACK

JOE ZANT—LEFT END

BUDDY GUINN—TAILBACK

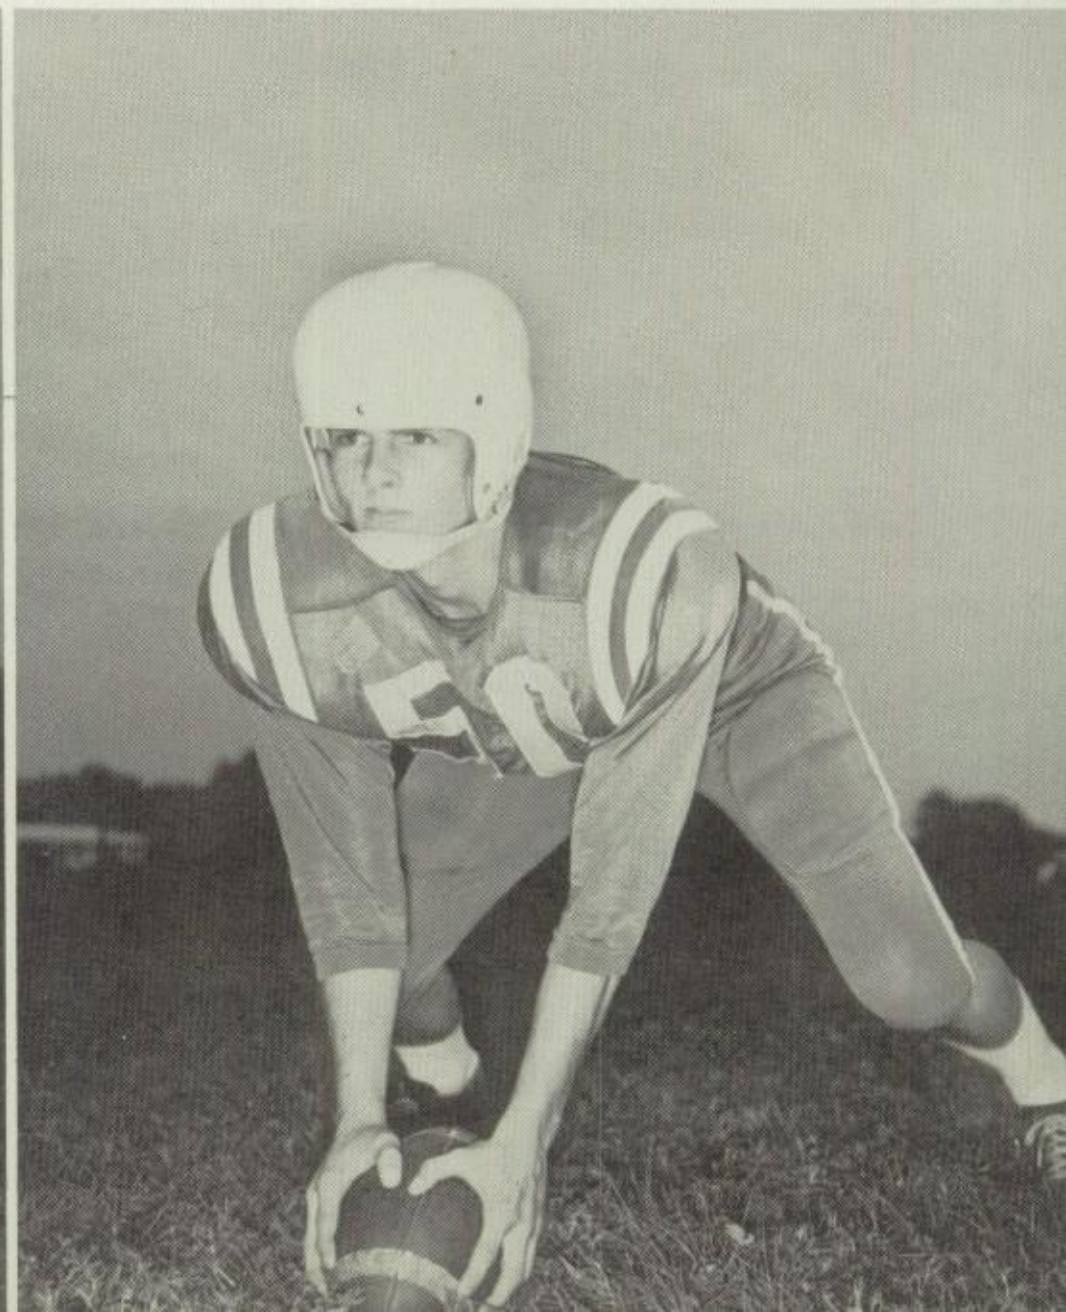

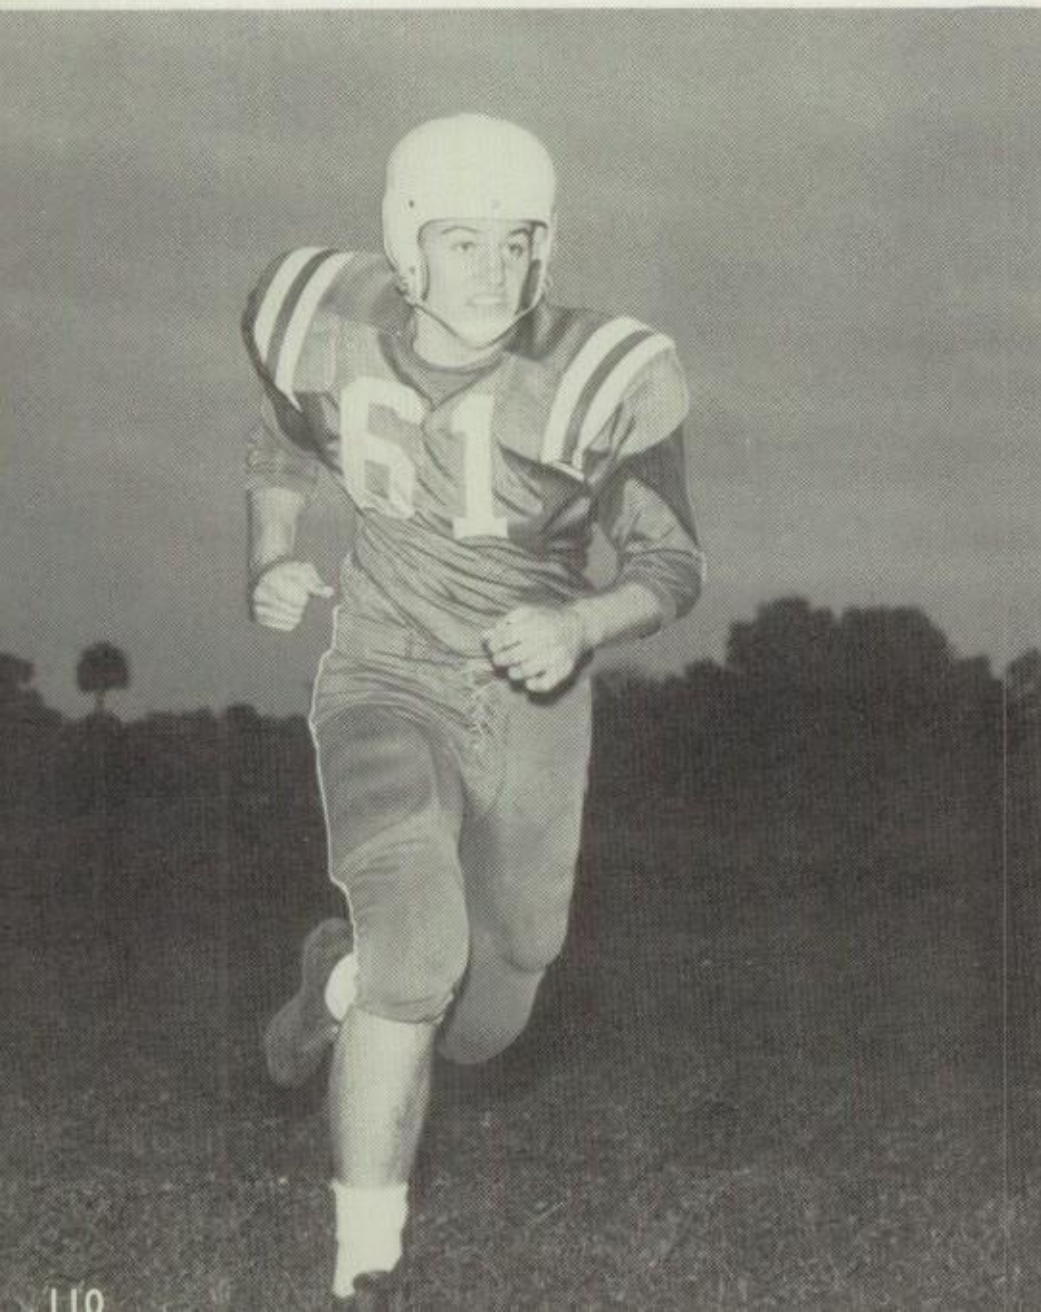

JOE GILBREATH—RIGHT END

On home ground, after a win against Cocoa, Ocala stomped Mainland as the single wing offense really

clicked. School spirit went wild and the Wildcats were driving like a team.

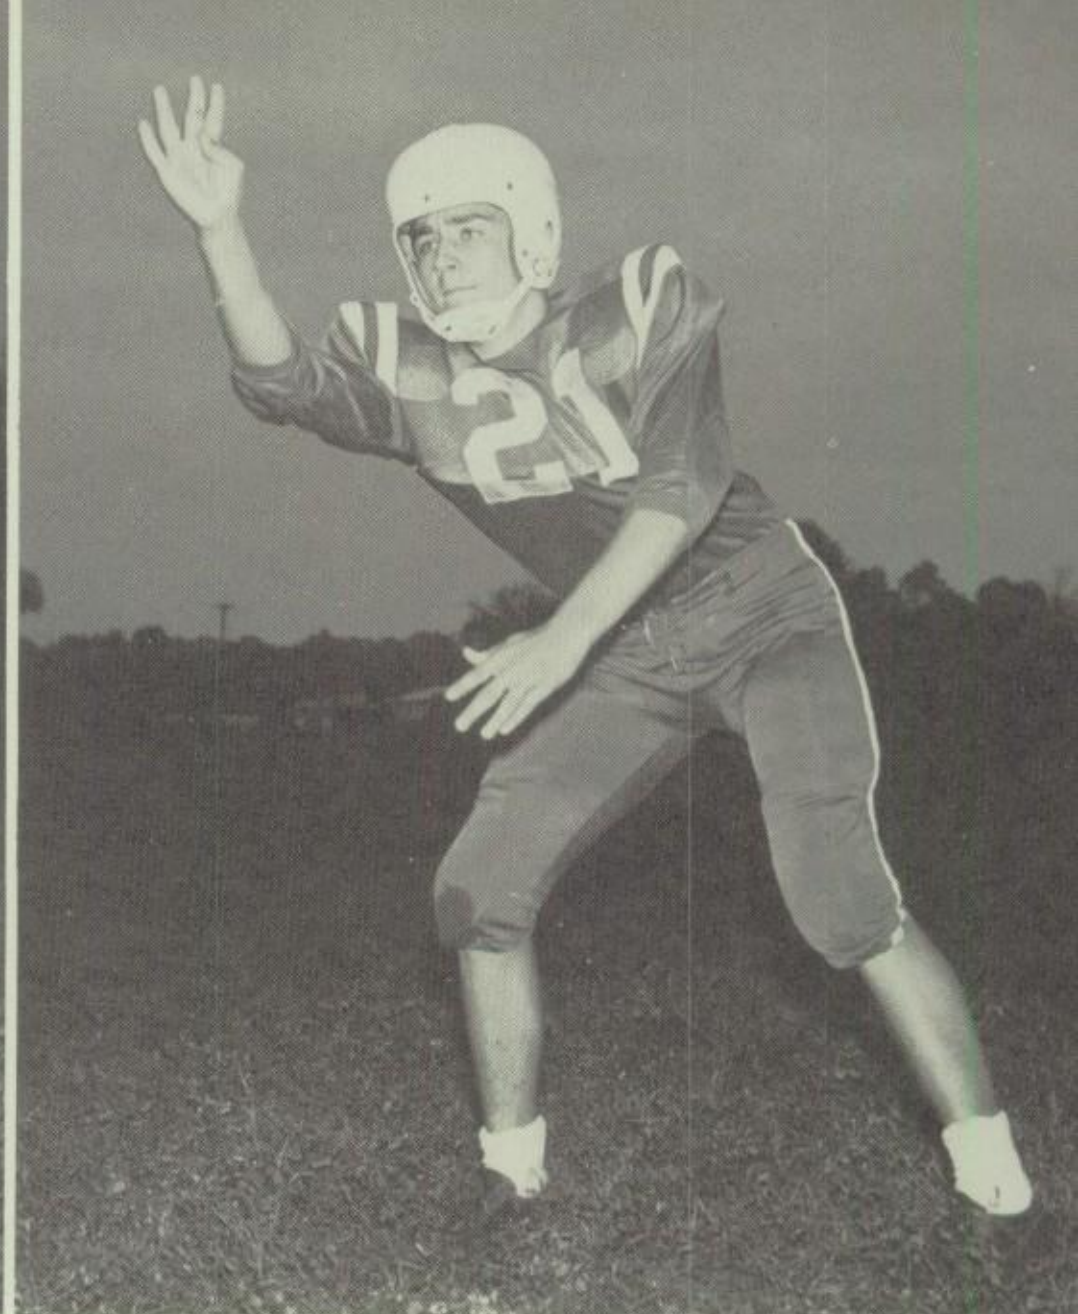

JOHN McCALL—LEFT GUARD

BILL KIDD—CENTER

BOB STEFFEN—RIGHT GUARD

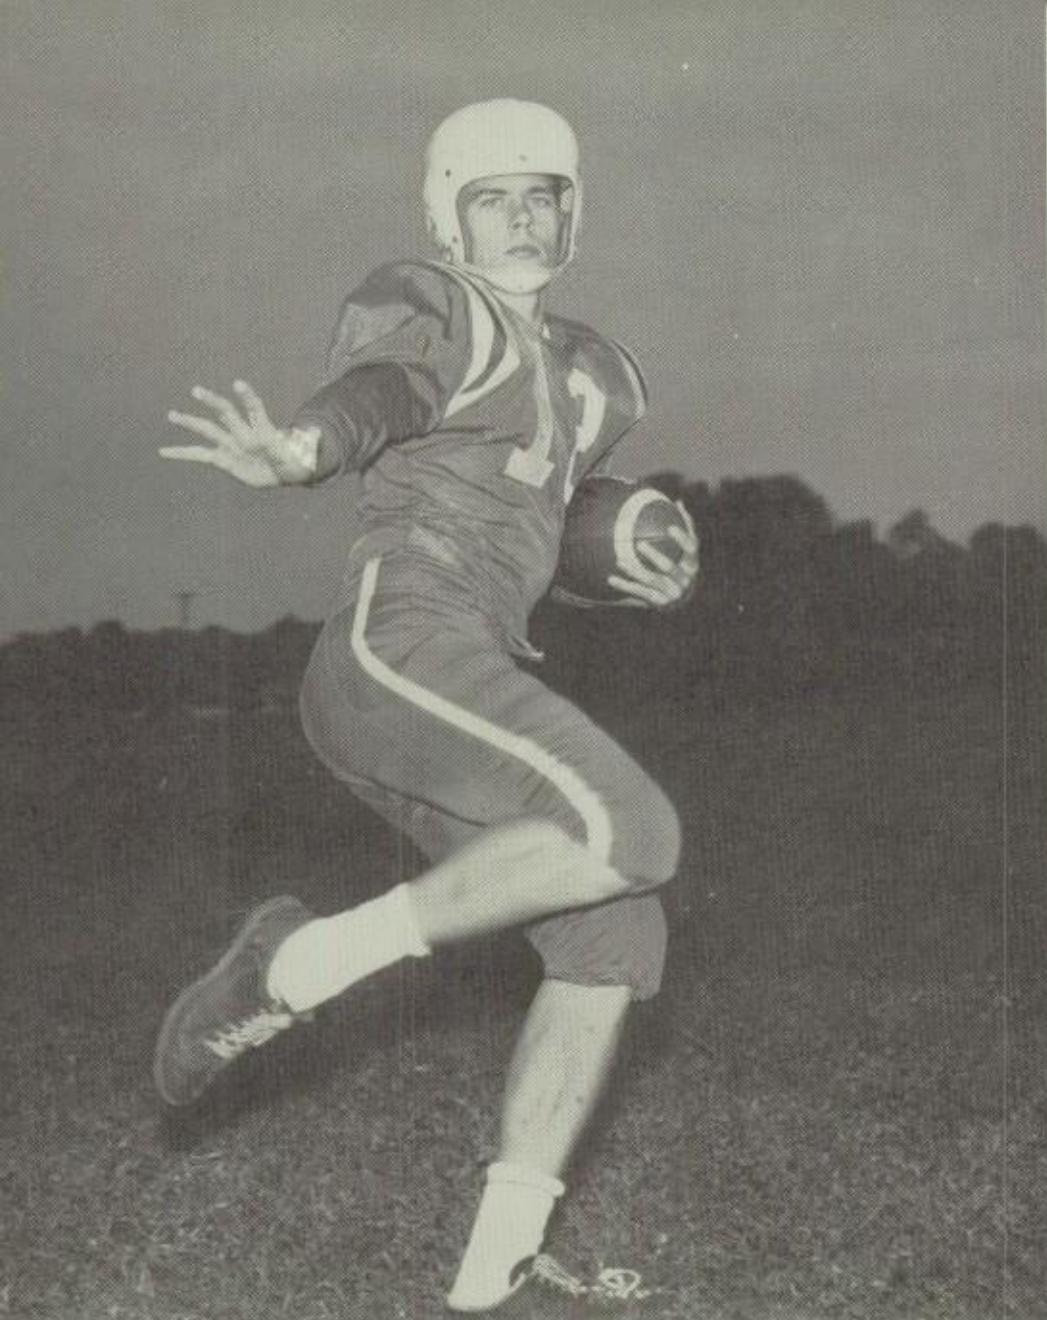

TOMMY DEARMIN—BLOCKING BACK

Orlando Boone and the spirit was high. The Braves had been a thorn to Ocala for years, but the tide had turned and the Wildcats brought forth another thrilling win. OHS 18, Boone 13.

The heartbreaker—a hard fought conference game that could have meant a championship. At the blow of the horn Ocala was just yards from a score. OHS 14, Edgewater 21.

JIMMY MILLER—WING BACK

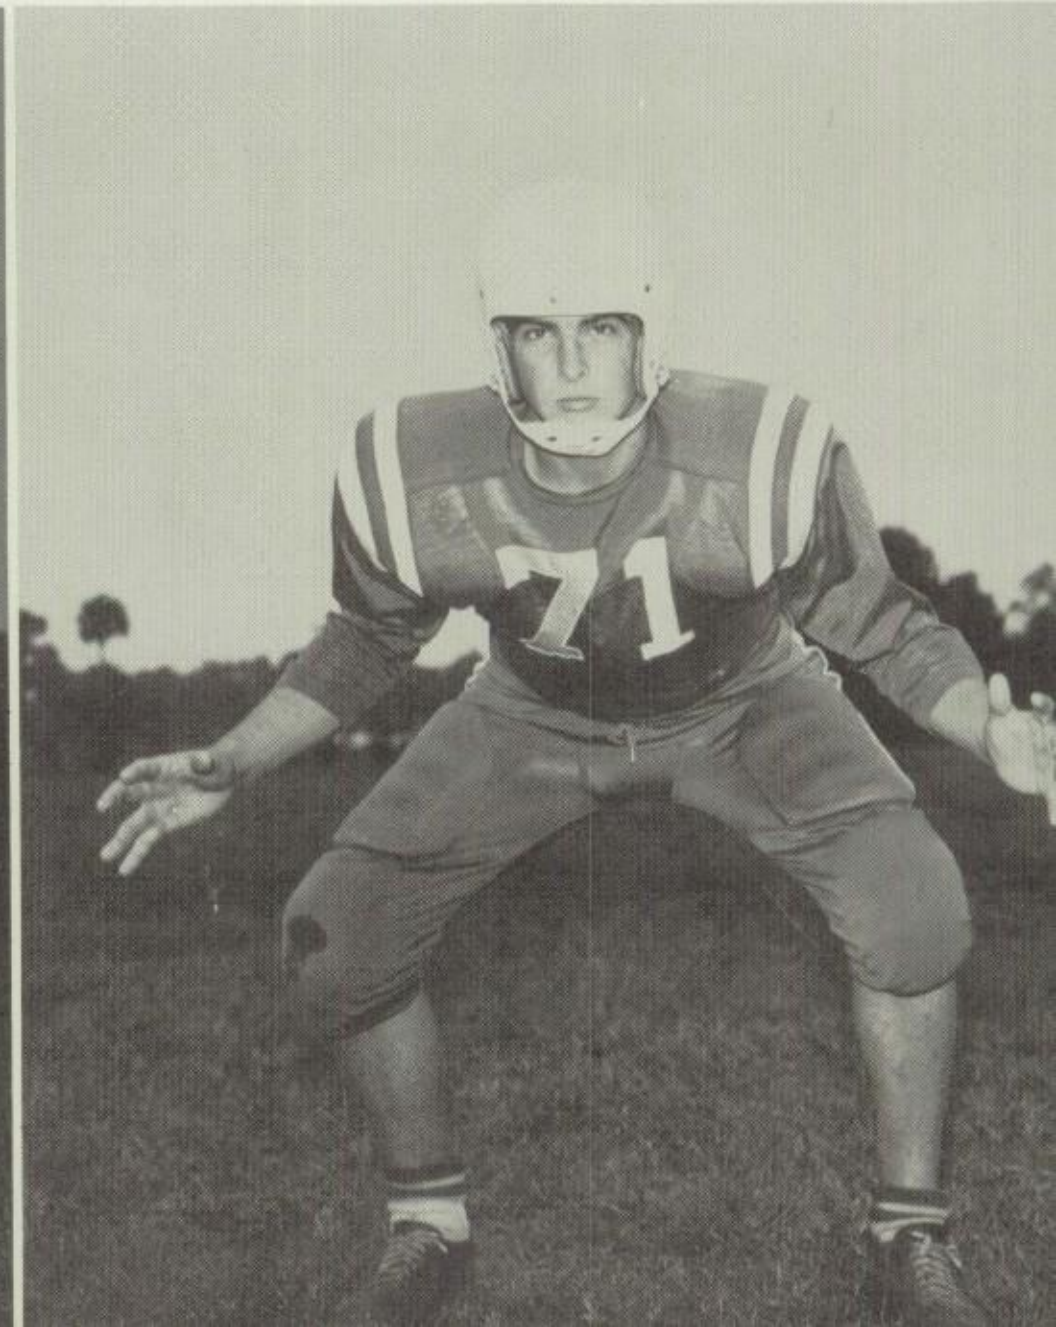

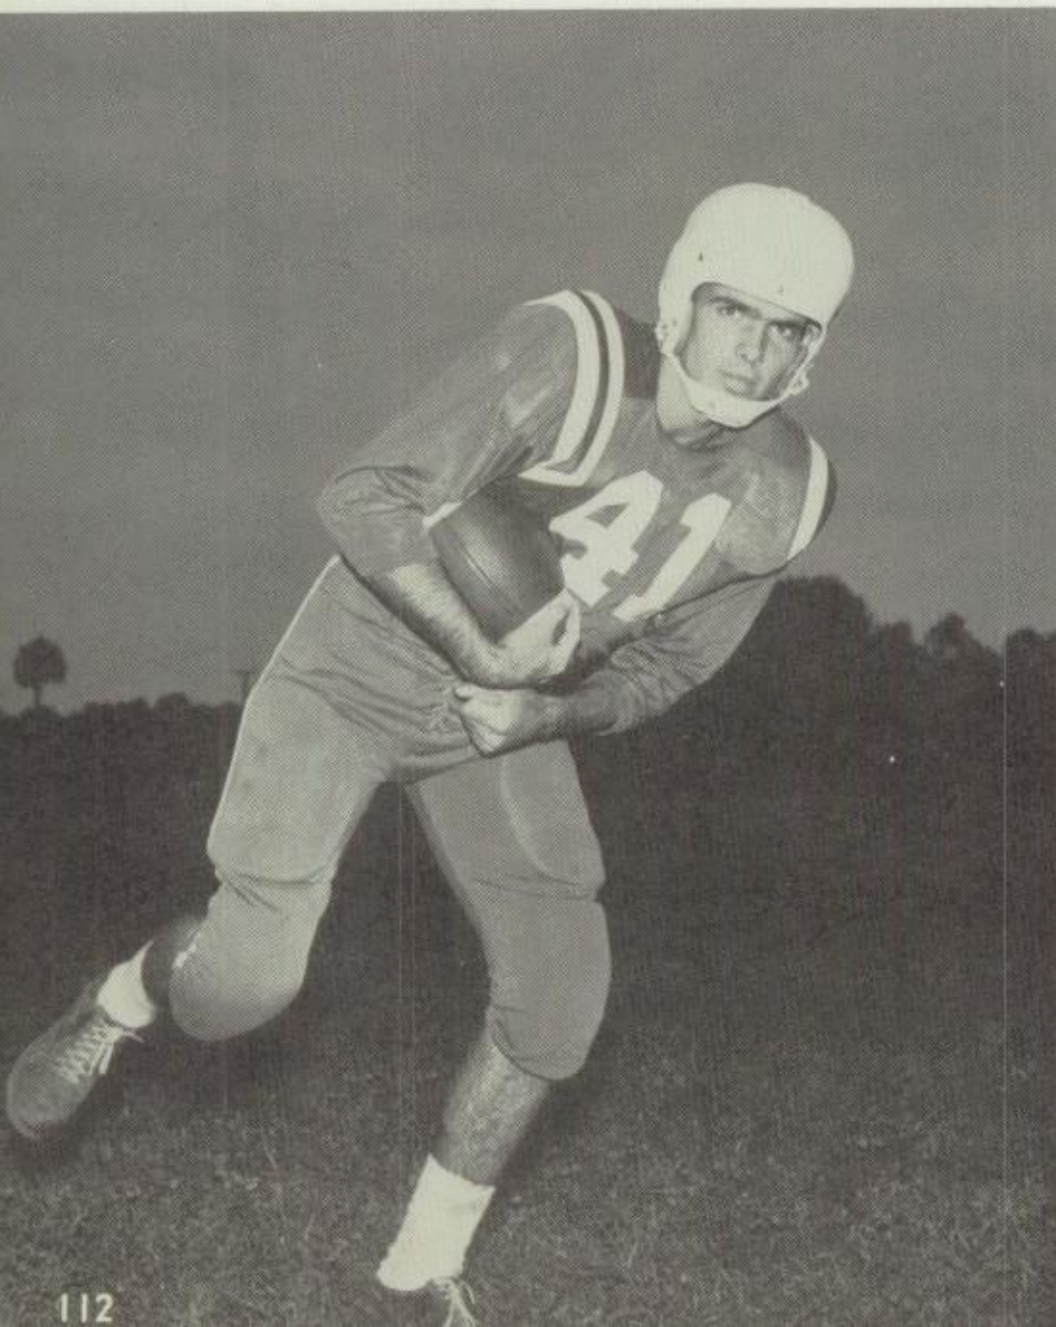

We came back once again in a grudge game against the Gainesville Hurricanes. The Cats worked like a ma-

chine. Ocala stormed through a muddy field for a final score of Ocala 21, Gainesville 6.

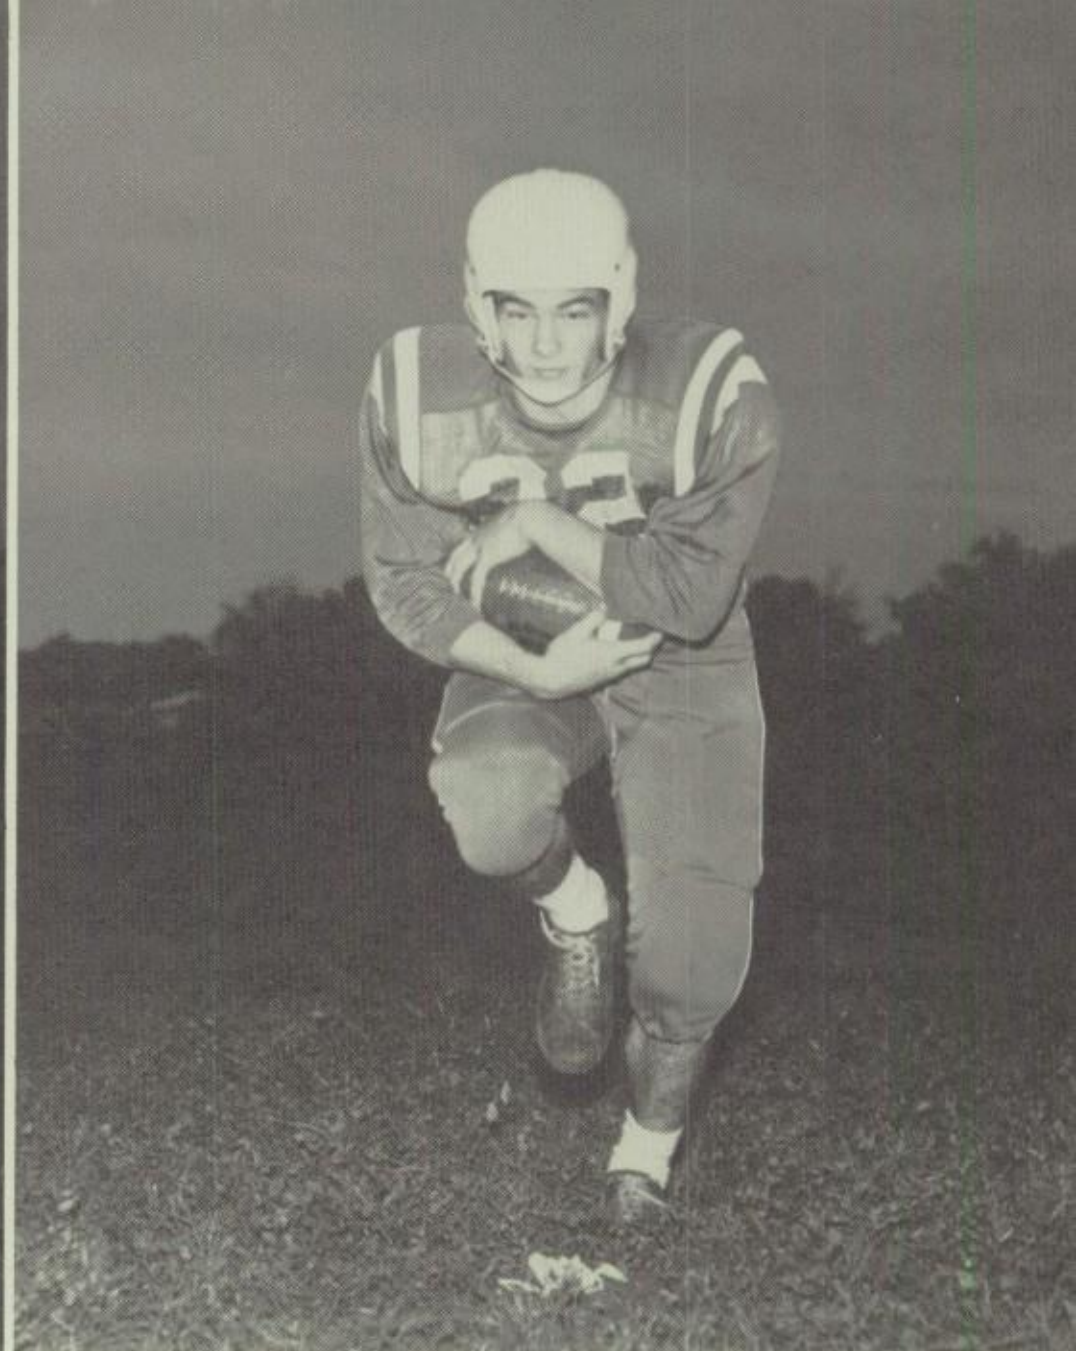

SULLY SULLIVAN—TAILBACK

AL PEACOCK—LEFT TACKLE

CLINTON CURRY—RIGHT TACKLE

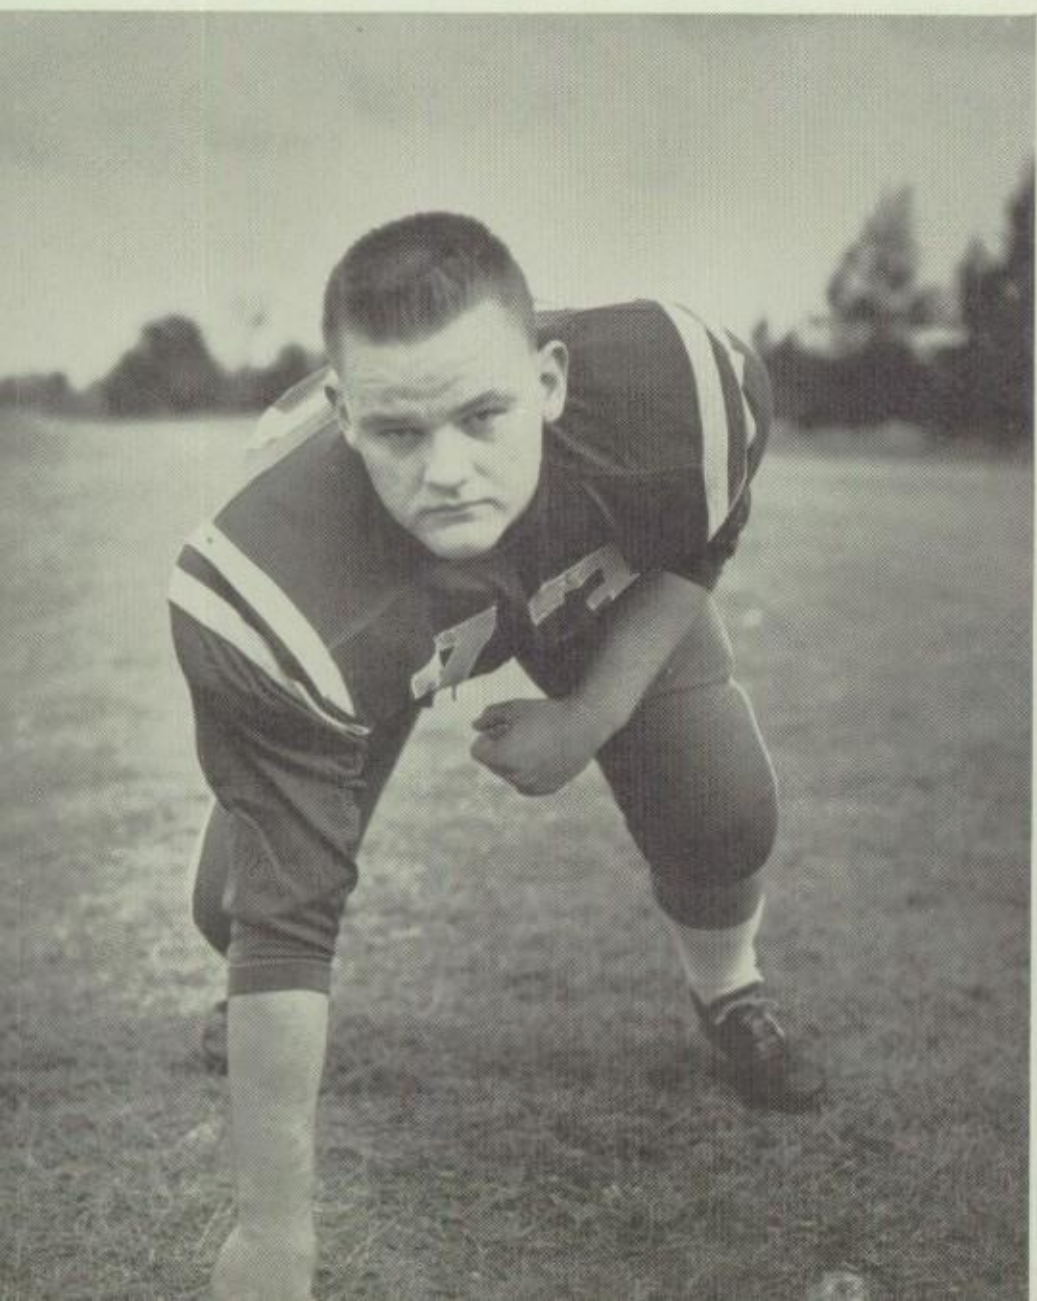

BOBBY BARONI—FULLBACK

Homecoming: The Ocala Wildcats played like they never played before, downing the favored Winter Haven Blue Devils by a score of 19 to 0.

The word was out, the powerful Ocala team had been challenged once more to the Jacksonville Jaycee Bowl.

BENNY BEDENBAUGH—RIGHT TACKLE

SKIPPY EDWARDS—TAILBACK

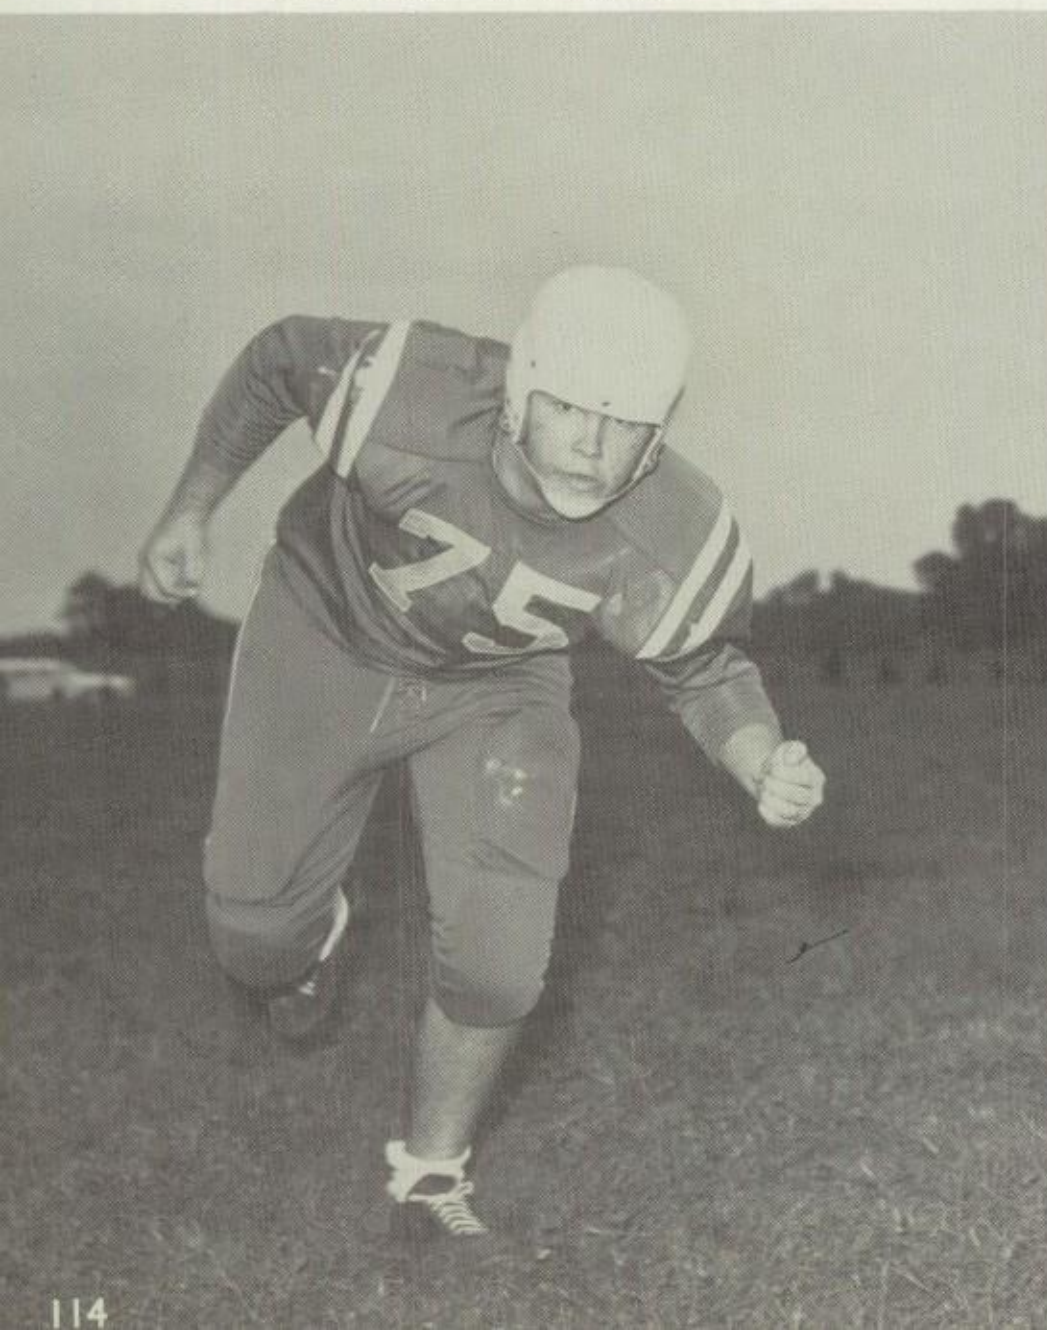

EARL CLARKSON—FULLBACK

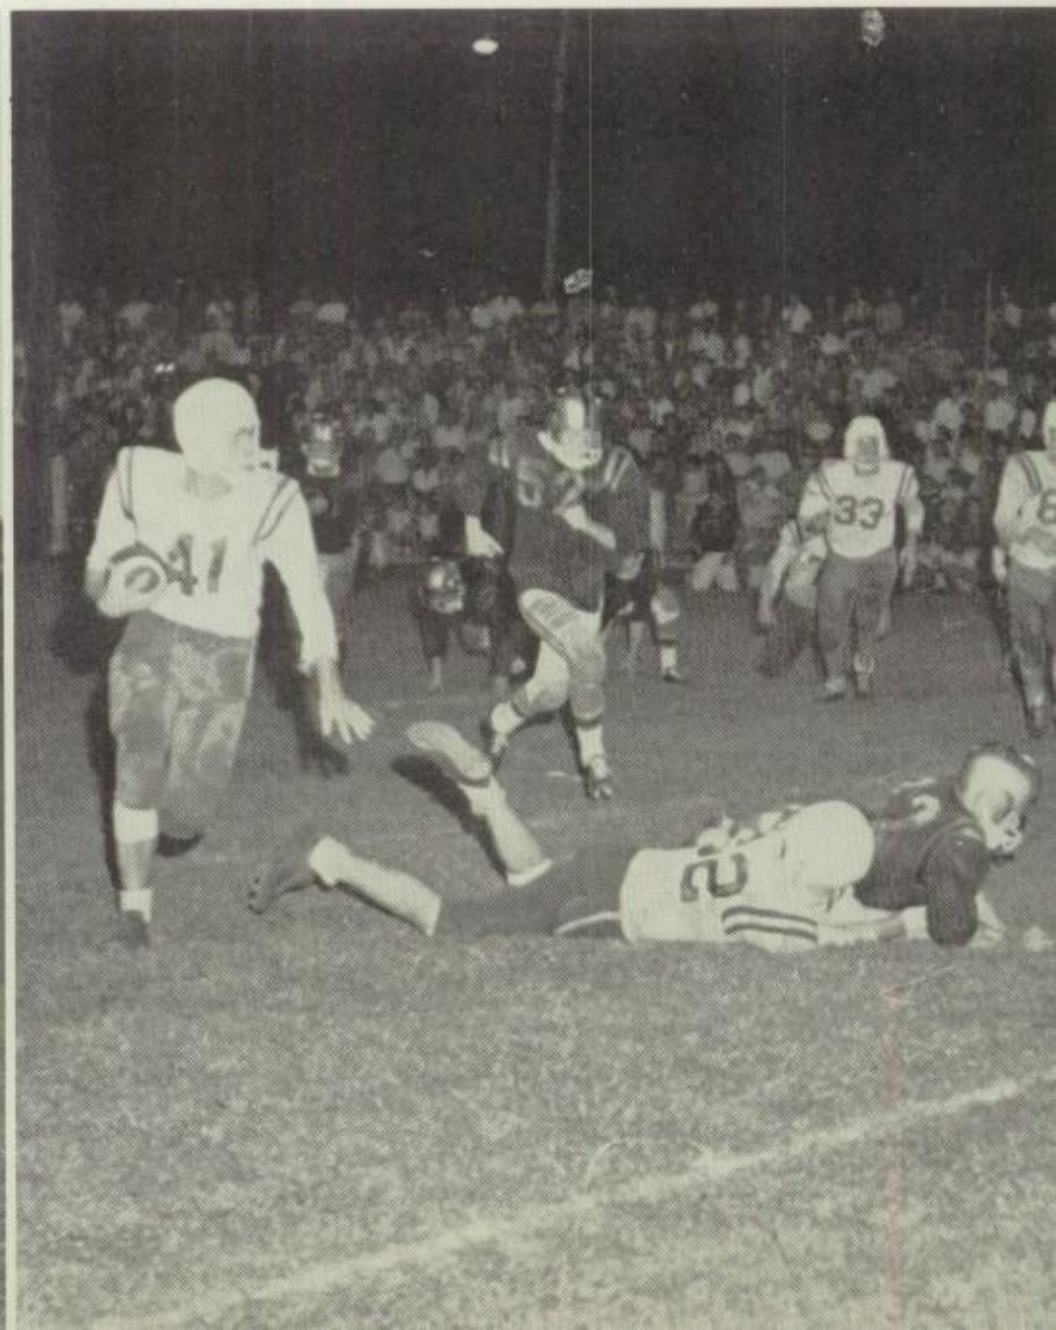

GARY TYSON—RIGHT GUARD

The Wildcats rap Ribault in the most exciting game of the season; and . . .

Now we are all hopping off the merry-go-round of school life for another summer. To the underclassmen, we say "Good luck with the ups and downs of the coming years." To the Seniors, who are still dizzy from the ride, we extend our best wishes in hopes that they will all catch the brass ring on life's longer ride.

ALMA MATER

Hail to thee, our Alma Mater
Loyal school and true,
Taking such a glorious stand, in everything
you do.
Hopes, thoughts, memories, ever ringing,
Never let them die.
Keep the name forever singing,
Hail Ocala High.

OHS FIGHT SONG

And when the OHS boys fall in line
We're gonna win that game another time,
And for the OHS I yell, I yell.
And for the team I yell, I yell,
I yell, I yell
We're gonna fight, fight, fight for
every yard
We'll circle in and hit that lineman hard,
We're gonna roll ole on
the sod, on the sod, OHS.
